 - a. Exhibits A and B are non-exhaustive lists and do not purport to identify all members of the Class.

2. The following are excluded from the Class:

a. Any Acute Care Hospital whose Released Claims have been released by any other settlement with Janssen.

B. Ability to Cure Omissions. In the event that the Settling Parties agree that an entity or Other Action was omitted from Exhibit A or B, the Settling Parties may, at any time before entry of the Final Approval Order, amend such Exhibit to add such an entity or Other Action. The Settling Parties agree that they will act reasonably in considering any claim of such omission.

C. Certification for Settlement Purposes Only. The Settling Parties agree that any certification of the Class will be for settlement purposes only. The Settling Parties do not waive or concede any position or arguments they have for or against certification of any class for any other purpose in any action or proceeding, and the Settling Parties retain full right and ability to contest any such class certification.

IV. Settlement Funds

A. Settlement Payment. Within thirty (30) days following the entry of the Preliminary Approval Order, Janssen shall pay or cause to be paid the Settlement Amount of one hundred ten million U.S. Dollars (\$110,000,000.00) in full, in accordance with the payment terms set forth in Section IV.B.

1. 2. Janssen will deposit the Settlement Amount into the Escrow Account.

3. The Settlement Amount shall not be subject to reduction, and, upon the occurrence of the Effective Date, no funds may be returned to Janssen.

B. No Additional Payment Obligations. The obligations incurred pursuant to this Agreement shall be in full and final disposition and settlement of all Released Claims. The Settlement Amount paid or provided by Janssen is its sole monetary obligation under this Agreement. Once the Settlement Amount is paid, Janssen shall have no further monetary obligations of any sort or kind to Plaintiffs, the Class, or any counsel for Plaintiffs pursuant to this Agreement or the Settlement. Under no circumstances will Janssen be required to pay more than the Settlement Amount pursuant to this Agreement and the Settlement set forth herein. For purposes of clarification, the payment of Taxes and Tax Expenses (as set out in Section IV.D), any Fee and Expense Award, the Notice and Administrative Costs, and any other costs associated with the implementation of this Agreement, shall be exclusively paid from the Settlement Funds.

C. The Escrow Account and Agent.

1. The Settling Parties shall arrange for the Escrow Account to be established at Pinnacle Bank, with such bank serving as the Escrow Agent subject to an Escrow Agreement, and such escrow to be administered under the Court's continuing supervision and control. Should Pinnacle Bank be unable to serve as Escrow Agent for any reason, the Court shall appoint a replacement, subject to the approval of the Settling Parties, which is not to be unreasonably withheld. To the extent that there is any ambiguity or inconsistency when this Agreement and the Escrow Agreement are read together, the terms of this Agreement shall control.

2. The Escrow Agent shall invest the Settlement Amount deposited pursuant to Section IV.A in U.S. agency or treasury securities or other instruments backed by the full faith & credit of the U.S. government or an agency thereof, or fully insured by the U.S. government or an agency thereof and shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates; *provided, however*, that the Escrow Agent will not invest in any instruments that a "qualified settlement fund," within the meaning of Treas. Reg. § 1.468B-1, *et seq.*, is not permitted to invest in, pursuant to the Treasury regulations, or any modification in Internal Revenue Service ("IRS") guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise. All risks related to the investment of the Settlement Funds shall be borne by the Escrow Account, and any losses in the Escrow Account shall be borne by the Escrow Account and shall not be recoverable from Janssen. Janssen shall have no responsibility for, interest in, or liability whatsoever with respect to the investment decisions or the actions of the Escrow Agent or any transactions executed by the Escrow Agent related to the investment of the Settlement Funds.

3. The Escrow Agent shall not, and Class Counsel shall not instruct the Escrow Agent to, disburse the Settlement Funds, except as provided in the Agreement, the Escrow Agreement, or by order of the Court. For the avoidance of doubt, the Escrow Agent is authorized, and Class Counsel is authorized to instruct the Escrow Agent, to execute such transactions as are consistent with the terms of the Agreement, the Escrow Agreement or as directed by the Court.

4. The Escrow Agent may disburse up to five million U.S. Dollars (\$5,000,000.00) to the Notice and Claims Administrators for reasonable Notice and Administrative Costs as approved by the Court.

5. All funds held in the Escrow Account shall be deemed and considered to be *in custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds are distributed pursuant to this Agreement and/or further order(s) of the Court.

D. Taxes.

1. The Escrow Account shall be, and shall be treated by the Settling Parties and the Escrow Agent as being at all times a "qualified settlement fund" within the

meaning of Treas. Reg. § 1.468B-1 (and corresponding or similar provisions of state, local, or foreign law, as applicable), and the Court shall have continuing jurisdiction over the Escrow Account, pursuant to Treas. Reg. § 1.468B-1(c)(1), and over the Escrow Agent as its administrator. The Escrow Agent shall not take any action or tax position inconsistent with such treatment. In addition, the Escrow Agent shall timely make such elections as necessary or advisable, and do all things necessary to carry out the provisions of this Section IV.D, and shall, in any event, make any available “*relation-back election*” (as defined in Treas. Reg. § 1.468B-1(j)(2) (and corresponding or similar elections under state, local, or foreign law, as applicable)), back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. The Settling Parties agree to take any other reasonable actions as shall be necessary to ensure that the Escrow Account qualifies as a qualified settlement fund for federal and state income tax purposes. Notwithstanding anything in the Agreement to the contrary, the Escrow Agent shall not on behalf of or in connection with the Escrow Account request a private letter ruling, technical advice memorandum or any other ruling or guidance from the Internal Revenue Service or any other taxing authority on any matter without consulting with and obtaining the prior written consent of Janssen.

2. For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and Treas. Reg. § 1.468B-2(k)(3) (and any corresponding or similar provisions of state, local or foreign law, as applicable), the qualified settlement fund “administrator” shall be the Escrow Agent. Class Counsel shall cooperate with and cause the Escrow Agent to, and the Escrow Agent shall, satisfy the administrative requirements imposed by Treas. Reg. § 1.468B-2 (and any similar provisions of state, local or foreign law, as applicable) by, for example: (i) obtaining employer identification numbers and providing the same in an IRS Form W-9 to Janssen, (ii) satisfying any information reporting or withholding requirements imposed with respect to the Escrow Account, including with respect to any distributions from the Escrow Account; (iii) timely and properly filing or causing to be filed all informational and other tax returns or filings necessary or advisable with respect to the Escrow Account (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) and paying any taxes reported thereon; (iv) sending copies of all such tax returns and filings to Janssen; and (v) providing instructions for the release of sufficient funds from the Escrow Account to pay all Taxes owed by the Escrow Account in accordance with Section IV.D.3 and Treas. Reg. § 1.468B-2 and any applicable state, local or other tax laws. Such returns, as well as the relation-back election described in Section IV.D.1, shall be consistent with the provisions of this Section IV.D.2 and in all events shall reflect that all Taxes as defined in Section IV.D.3 on the income earned by the Escrow Account shall be paid out of the Settlement Funds as provided in Section IV.D.3. Each Released Entity shall provide to the administrator and the IRS the statement described in Treas. Reg. § 1.468B-3(e)(2) no later than February 15th of the year following each calendar year in which such Released Entity makes a transfer to the Escrow Account. The Released Entities shall have no responsibility or liability for the Escrow Account’s tax returns or other filings.

3. The following shall be paid out of the Settlement Funds: (i) all taxes (including any estimated taxes, interest, or penalties) arising with respect to the income earned by the Escrow Account, including, without limitation, any taxes or tax detriments that may be imposed upon Janssen, its counsel, or any Released Entity with respect to any income earned by the Escrow Account for any period during which the Escrow Account does not qualify as a qualified settlement fund for federal or state income tax purposes (collectively, “*Taxes*”), and (ii) all expenses and costs incurred in connection with the operation and implementation of this Section IV.D.3, including, without limitation, expenses of tax attorneys and/or accountants (including the Escrow Agent) and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Section IV.D.3 (collectively, “*Tax Expenses*”). In all events, neither Janssen nor any other Released Entity nor their counsel shall have any liability or responsibility for the Taxes described in clause (i) above or the Tax Expenses. With funds from the Escrow Account, the Escrow Agent shall indemnify and hold harmless Janssen and any other Released Entity and their counsel for Taxes described in clause (i) above and Tax Expenses (including, without limitation, Taxes payable by reason of any such indemnification). Further, Taxes described in clause (i) above and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Escrow Account and shall timely be paid by the Escrow Agent out of the Settlement Funds without prior order from the Court. The Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to Class Members or Class Counsel, as the case may be, any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)) (and any corresponding or similar provisions of state, local or foreign law, as applicable). Neither Janssen nor any Released Entity nor their counsel is responsible therefor, nor shall they have any liability therefor. The Settling Parties agree to cooperate with the Escrow Agent, each other, their tax attorneys, and their accountants to the extent reasonably necessary to carry out the provisions of this Section IV.D.3 and with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to the Agreement.

4. The Settling Parties and Class Counsel agree that: (i) each of the Class Members is enforcing its rights as a private party and is not enforcing any rules or exercising any regulatory powers, in either case as part of a governmental function; and (ii) the Settlement Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Class Members to the same position or condition that they would be in had the Class Members not suffered alleged damage or harm allegedly caused by Janssen. Upon request by Janssen, the Class Representatives and Class Counsel agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Janssen to establish the tax treatment described in this paragraph to the satisfaction of its tax advisors, its independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any other subsequently proposed or finalized relevant regulations or administrative guidance.

V. Approval and Notice

A. Approval and Effectiveness.

1. It is a condition to the Settlement that (a) within a reasonable time period after execution of this Agreement, the Court approve and enter the Preliminary Approval Order in the form attached as Exhibit F, provided that any modification to the Preliminary Approval Order must be acceptable to all Class Representatives and Janssen, and (b) the Preliminary Approval Order remain in full force and effect until entry of the Final Approval Order.

2. It is a condition to the Settlement that (a) within a reasonable time period after the Preliminary Approval Order, the Court approve and enter the Final Approval Order in the form attached as Exhibit G, provided that any modification to the Final Approval Order must be acceptable to all Class Representatives and Janssen, and (b) the Final Approval Order remain in full force and effect until it becomes a Final Judgment.

3. It is a condition to the Settlement that the Final Approval Order not be reversed, vacated, or modified on appeal, a motion for reconsideration, or other review and that it becomes a Final Judgment.

4. The Settling Parties agree that the Settlement is not final and enforceable until the Effective Date, except as to any provisions that the Agreement provides shall occur prior to the Effective Date. The Preliminary Approval Order and the Final Approval Order shall be enforceable upon entry in accordance with their terms.

B. Reasonable Best Efforts to Effectuate This Settlement. The Settling Parties: (a) acknowledge that it is their intent to consummate this Agreement; and (b) agree to cooperate to the extent reasonably necessary to effectuate and implement the terms and conditions of this Agreement and to exercise their best efforts to accomplish the terms and conditions of this Agreement. The Settling Parties will continue to work cooperatively to complete and submit promptly to the Court for approval the Motions for Preliminary Approval and Final Approval and such additional documentation as may be necessary for the Court to make the determinations required hereunder, and to address any concerns regarding the Agreement or the Settlement identified by the Court or any court of appeal.

C. Preliminary Approval.

1. No later than 30 days after the execution of this Agreement, Class Counsel shall submit the Agreement together with its Exhibits to the Court and shall apply for entry of the Preliminary Approval Order (the "*Motion for Preliminary Approval*") pursuant to Federal Rule of Civil Procedure 23(e).

2. The Motion for Preliminary Approval shall request the entry of a Preliminary Approval Order that includes: (i) the findings required by Federal Rule of Civil Procedure 23(e)(1)(B); (ii) approval of the Notice, substantially in the form of Exhibit H, and proposed Notice Plan; (iii) scheduling of the Fairness Hearing to occur after the conclusion of the notice period and no earlier than ninety (90) days following

the entry of the Preliminary Approval Order; (iv) the appointment of the Escrow Agent as set forth in Section IV.C.1; (v) continuing the stay of the Action as to Janssen until the Court renders a final decision regarding the approval of the Settlement; (vi) granting a stay of all proceedings in any forum brought by Releasers as to Janssen and/or other Released Entities, including all Other Actions; (vii) enjoining all Class Members from filing or prosecuting any new proceedings for Released Claims, unless and until the Class Member files a timely and valid Opt-Out Form and that Form becomes effective; and (viii) directing the Class Representatives to file motions to sever and stay the Other Actions brought by the Class Representatives as to Janssen until the Court renders a final decision regarding the approval of the Settlement, to the extent not already filed. The Preliminary Approval Order shall provide that if this Agreement is not approved, is voided, terminated, or fails to become effective for any reason, the Settling Parties shall be returned to the *status quo* that existed immediately prior to May 3, 2024, except as expressly provided herein.

3. Class Counsel shall provide Janssen with a draft of their Motion for Preliminary Approval, together with any accompanying memorandum of law and proposed form of notice, at least five (5) business days in advance of filing and shall consider in good faith any suggestions that Janssen may have. Class Counsel shall not file such a motion without Janssen's consent, which consent shall not be unreasonably withheld.

D. Notice to the Class.

1. Notice of the Settlement shall be given as soon as practicable after Preliminary Approval and, in any event, the notice process shall commence no later than twenty-one (21) calendar days following the entry of the Preliminary Approval Order. Notice shall be provided by the Notice and Claims Administrators to Class Members pursuant to the Notice Plan, subject to any modifications required by the Court. The Notice and Summary Notice are attached as Exhibits H and I to this Agreement, and any modifications to them must be acceptable to all Class Representatives and Janssen in its individual discretion.

2. Class Counsel shall move, as part of the Motion for Preliminary Approval, for entry of the Notice Order. Class Counsel shall also submit to the Court for approval a proposed form of, method for, and schedule for dissemination of notice to the Class. The Motion for Preliminary Approval shall recite and ask the Court to find that the proposed form of and method for dissemination of notice to the Class constitutes valid, due, and sufficient notice, constitutes the best notice practicable under the circumstances, and complies fully with the requirements of Federal Rule of Civil Procedure 23.

3. Class Counsel shall seek an order authorizing and ordering the Notice and Claims Administrators: (i) to request from any Acute Care Hospital that seeks to exclude any other entity from the certified Class, documentation and declarations supporting any purported authority to opt out other entities and (ii) to submit a report (an "*Opt-Out Report*") which shall be provided no later than seven (7) calendar days after the Opt-Out Deadline, as defined in Exhibit F, to the Court, Class Counsel, and Janssen identifying all

requests to be excluded from the Class, and whether any such requests were deemed untimely and/or failed to provide any of the information required in Section V.G.1 or were otherwise inadequate.

4. No later than fourteen (14) calendar days following the commencement of the dissemination of the Notice, Class Counsel shall serve on Janssen and file with the Court proof, by affidavit or declaration, of such dissemination.

E. **CAFA Notice.** Pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1715. Janssen shall serve notice of the Settlement on the appropriate federal and state officials no later than ten (10) calendar days after the filing of this Agreement with the Court. If the Settlement does not become final for any reason, Janssen shall not recover the notice and notice administration costs, including any costs of providing notice pursuant to the Class Action Fairness Act of 2005.

F. **Objections to Settlement.**

1. **Form of Objection & Deadline for Filing.** The Notice shall require that any Objection to the Settlement, or any part of this Agreement, including Attorneys' Fees and Expenses, the Class Representatives' Service Awards, or the Plan of Allocation be in writing. The deadline for filing the Objection with the Court shall be forty-five (45) calendar days after commencement of the dissemination of the Notice.

2. **Content of Objection.** The written Objection filed with the Court shall: (a) state the name, address, and telephone number of the objector and must be signed by the objector even if represented by counsel; (b) state that the objector is objecting to the proposed Settlement, Plan of Allocation, the application for Attorneys' Fees and Expenses, and/or application for Service Awards to Class Representatives; (c) state the Objection(s) and the specific reasons for each Objection, including any legal and evidentiary support the objector wishes to bring to the Court's attention; (d) state whether the Objection applies only to the objector, to a subset of the Class, or to the entire Class; (e) identify all class actions to which the objector and its counsel have previously objected; (f) include documents sufficient to prove the objector's membership in the Class, such as the objectors' status as an Acute Care Hospital and its treatment of patients diagnosed with opioid use disorder; (g) state whether the objector intends to appear at the Fairness Hearing; (h) if the objector intends to appear at the Fairness Hearing through counsel, state the identity of all attorneys who will appear on the objector's behalf at the Fairness Hearing; and (i) state that the objector submits to the jurisdiction of the Court with respect to the Objection or request to be heard and the subject matter of the Settlement of the Action, including, but not limited to, enforcement of the terms of the Settlement.

3. **Waiver.** Any Class Member that does not object in the manner provided herein shall be deemed to have waived such Objection and shall forever be foreclosed from making any Objection to the fairness or adequacy of the proposed Settlement, the Plan of Allocation, the Attorneys' Fees and Expenses, or to any Service Award, unless otherwise ordered by the Court. All presentations of Objections will be further limited by

the information listed in the Objection. A Class Member's compliance with the foregoing requirements does not in any way guarantee a Class Member the ability to present evidence or testimony at the Fairness Hearing. The decision whether to allow any testimony, argument, or evidence, as well as the scope and duration of any and all presentations of Objections at the Fairness Hearing, will be in the sole discretion of the Court.

G. Opt-Out.

1. Any entity within the Class that wishes to opt out of the Class and Settlement must submit a written and signed statement entitled "Opt-Out Form" to the Notice and Claims Administrators and email it to Janssen and Class Counsel as set forth in the Notice. The Opt-Out Form must certify, under penalty of perjury in accordance with 28 U.S.C. § 1746, that the submitting entity is acting on its own behalf, is included in the Class definition, and is legally authorized to exclude itself from the Settlement and must:

- a. provide an affidavit or other proof of the standing of the submitting entity and why they would be a Class Member absent the Opt-Out;
- b. provide the submitting entity's name, address, telephone number, and email address (if available);
- c. provide the entity's National Provider Identifier (if available) and CMS Certification Number (if available);
- d. provide a list of current and former names of the entity, including any and all names under which the entity does or has done business since January 1, 2009; and
- e. be received by the Notice and Claims Administrators, Class County, and Janssen no later than the date designated for such purpose in the Notice.

2. An Opt-Out Form that fails to satisfy any of the requirements set forth in Section V.G.1, including, but not limited to, the provision of inaccurate or incomplete information, shall be null and void and shall have no effect whatsoever on the entity's membership in the Class.

3. All Opt-Out Forms must be served on such schedule as the Court may direct. In seeking Preliminary Approval, the Settling Parties will request that the deadline for receipt of Opt-Out Forms be forty-five (45) calendar days after commencement of dissemination of the Notice.

4. Opt-Out Forms shall be deemed valid only for the entity named in the request.

5. Opt-Out Forms shall be deemed timely if received by the Notice and Claims Administrators, Class Counsel, and Janssen no later than the date designated for such purpose in the Notice.

6. Any entity that submits a timely and valid Opt-Out Form in accordance with Section V.G.1 shall not (i) be bound by any orders or judgments effecting the Settlement; (ii) be entitled to any of the relief or other benefits provided under this Agreement; (iii) gain any rights by virtue of this Agreement; or (iv) be entitled to submit an Objection.

7. Any Class Member that does not submit a timely and valid Opt-Out Form in accordance with Section V.G.1 submits to the jurisdiction of the Court and, unless the Class Member submits an Objection that complies with the provisions of Section V.F, shall waive and forfeit any and all Objections to the Settlement or the Agreement the Class Member may have asserted.

8. No “mass,” “class,” “group” or otherwise combined Opt-Out Form shall be valid, and no entity may submit an Opt-Out Form on behalf of any other entity that is included in the Class definition including, but not limited to, the entity’s subsidiaries, affiliated or related companies or business entities, divisions, partnerships, joint ventures clients, customers, or administrative services organization.

9. **Opt-Out Report.** No later than seven (7) calendar days after the deadline set by the Court for receipt of the Opt-Out Forms, and at least fifteen (15) business days prior to the Fairness Hearing, the Notice and Claims Administrators shall submit to the Court, Class Counsel, and Janssen the Opt-Out Report as described in Section V.D.3.

H. **Motion for Final Approval and Entry of Final Judgment.**

1. On or before the deadline set by the Court in the Preliminary Approval Order, Class Counsel shall file a motion for final approval of the Settlement (the “*Motion for Final Approval*”). In the Motion for Final Approval and at the Fairness Hearing, the Settling Parties will request that the Court: (a) enter the Final Approval Order in the form attached as Exhibit G to this Agreement, provided that any modifications to the Final Approval Order must be acceptable to Class Representatives and Janssen; (b) finally certify the Class; (c) approve and adopt the Agreement as final, fair, reasonable, adequate, and binding on all Class Members; (d) enter judgment dismissing the Action with prejudice and directing the dismissal with prejudice of any of the Other Actions; and (e) permanently enjoin any Class Member from asserting or pursuing any Released Claim against any Released Entity in any forum. The Final Approval Order and Final Judgment shall contain provisions:

a. certifying the Class for settlement purposes; fully and finally approving the Settlement contemplated by this Agreement and its terms as being fair, reasonable, and adequate within the meaning of Federal Rule of Civil Procedure 23 and directing its consummation pursuant to its terms and conditions; finding that the Notice given to the Class Members constituted the best notice

practicable under the circumstances and complies in all respects with the requirements of Federal Rule of Civil Procedure 23 and due process;

- b. entering judgment dismissing the Action with prejudice as to Released Entities and, except as provided for herein, without costs;
- c. directing that the Other Actions be dismissed with prejudice as to Released Entities and, except as provided for herein, without costs;
- d. discharging and releasing the Released Entities from all Released Claims;
- e. permanently barring and enjoining the institution and prosecution by Class Members of any other action against the Released Entities in any forum asserting any claims related in any way to the Released Claims;
- f. reserving and continuing exclusive jurisdiction over the Settlement, including the Escrow Account, the Escrow Agent as its administrator, and all future proceedings concerning the administration, consummation, and enforcement of this Agreement;
- g. determining pursuant to Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and directing entry of a Final Approval Order as to Plaintiffs and Janssen; and
- h. containing such other and further provisions consistent with the terms of this Agreement to which the Settling Parties expressly consent in writing.

Class Counsel also will request that the Court approve the proposed Plan of Allocation and application for attorneys' fees and reimbursement of expenses, as described below.

2. Class Counsel shall provide Janssen with a draft of the Motion for Final Approval, together with any accompanying memorandum of law at least five (5) business days in advance of filing and shall consider in good faith any comments Janssen may have. Class Counsel shall not file such a motion without Janssen's consent, which consent shall not be unreasonably withheld.

VI. Conditions of Settlement; Effect of Disapproval, Cancellation, or Termination

A. Occurrence of Effective Date.

1. Upon the Effective Date, any and all remaining interest or right of Janssen in or to the Settlement Funds, if any, shall be absolutely and forever extinguished, and the Settlement Funds (less any Notice and Administrative Costs, Taxes, Tax Expenses, or Fee and Expense Award paid) shall be transferred from the Escrow Agent to the Notice and Claims Administrators as successor Escrow Agent within ten (10) business days after the Effective Date.

2. Upon the Effective Date, the Plaintiffs shall dismiss the Action and the Other Actions with prejudice as to the Released Entities, including all actions listed on Exhibit B, as provided for in the Final Approval Order.

B. Failure of Effective Date to Occur.

1. In the event that the Effective Date does not occur, for whatever reason, including for the reasons set forth in Sections VI.B-D, then this Agreement shall be cancelled and terminated, unless the Settling Parties mutually agree in writing to proceed with this Agreement. The Settlement Funds shall be returned to Janssen less interest accrued on the Escrow Account, Notice and Administrative Costs paid, incurred, or due and owing Notice and Administrative Costs, and Taxes or Tax Expenses paid, incurred, or due and owing (the “*Termination Refund*”), pursuant to written instructions from Janssen’s Counsel. Any amounts remaining in the Escrow Account following the Termination Refund shall be distributed by order of the Court.

2. Upon receipt of the Termination Refund, this Agreement shall terminate, and it, Janssen’s obligations under it, and all releases contained herein shall become null and void. In the event of such a termination, (a) no Class will be deemed certified as a result of this Agreement, (b) all orders of the Court preliminarily or otherwise approving the Settlement shall be vacated, (c) the Settling Parties shall be returned to the status quo that existed in the Action and the Other Actions immediately prior to May 3, 2024 (subject to appropriate extensions of deadlines to enable the Action and the Other Actions to proceed), and (d) the Settling Parties shall retain all of their respective rights and defenses as of immediately prior to May 3, 2024. The Settling Parties shall then proceed in all respects as if this Agreement and related orders had not been executed.

C. Walk-Away Right. Janssen may, in its sole discretion, terminate the Agreement by providing notice to Class Counsel within fifteen (15) business days following receipt by Janssen of the Opt-Out Report of the Notice and Claims Administrators detailing all opt-outs from the Settlement. If Janssen does not provide notice of exercise of the Walk-Away Right to Class Counsel in accordance with this paragraph, the Walk-Away Right shall be waived.

D. No Court Approval.

1. If the Court declines to or does not enter the Preliminary Approval Order or the Final Approval Order, or if the Final Approval Order does not become a Final Judgment because it is reversed, vacated, or modified on appeal, a motion for reconsideration, or other review, the Action and Other Actions against the Released Entities will resume unless within thirty (30) calendar days of such event, the Settling Parties mutually agree in writing to: (a) seek reconsideration or appellate review of any decision denying entry of such order; (b) attempt to renegotiate the Settlement and seek Court approval of the renegotiated settlement; and/or (c) comply with other guidance or directives the Court has provided.

2. If the litigation against the Released Entities resumes pursuant to Section VI.D.1, or the Settling Parties seek reconsideration and/or appellate review of any decision denying entry of the Preliminary Approval Order or Final Approval Order or the decision reversing, vacating, or materially modifying the Final Approval Order and such further reconsideration and/or appellate or other review is denied: (a) the Escrow Agent shall, within seven (7) calendar days of receiving written notice of such resumption or the denial of further reconsideration or appellate review, repay to Janssen the Termination Refund as of the date on which notice is received, and (b) this Agreement shall terminate upon receipt of the Termination Refund.

E. **Time to Appeal.** The time to appeal from approval of the Settlement shall commence upon the Court's entry of the Final Approval Order regardless of whether or not either the Plan of Allocation or an application for Attorneys' Fees and Expenses has been submitted to the Court or resolved.

VII. Notice and Claims Administrators and Special Master

A. **Selection of Notice and Claims Administrators.** Class Counsel shall nominate A.B. Data Group and Cherry Bekaert Advisory, LLC, or another entity, subject to the consent of Janssen, an entity to serve as Notice and Claims Administrators that shall be subject to appointment by the Court in the Preliminary Approval Order, and that meets the following requirements:

1. The Notice and Claims Administrators may not be an entity that has acted as counsel, or otherwise represented a party, in claims relating to opioids.

2. The Notice and Claims Administrators shall have the authority to perform all actions consistent with the terms of this Agreement that the Notice and Claims Administrators deem to be reasonably necessary to effectuate the Notice Plan, which is subject to Court approval as provided in Section V.C. Subject to the Court's approval, the Notice and Claims Administrators may retain any entity that the Notice and Claims Administrators deem to be reasonably necessary to provide assistance in developing and administering the Notice Plan.

3. The Notice and Claims Administrators' roles generally shall include administration of the proposed Settlement, including reviewing, analyzing, and approving Registration and Claim Forms, including all supporting documentation, as well as determining any Qualifying Class Member's Allocated Amount (in consultation with the Special Master) and overseeing distribution of the Net Settlement Funds pursuant to the Plan of Allocation set forth in Exhibit C.

4. Any successor to the initial Notice and Claims Administrators shall be subject to appointment by the Court, with the consent of all Settling Parties, shall fulfill the same functions from and after the date of succession, and shall be bound by the determinations made by the predecessor(s) to date.

5. The Notice and Claims Administrators shall have no authority to alter in any way the Settling Parties' or Class Members' rights and obligations under the Agreement.

6. Janssen, Janssen's Counsel, and Released Entities shall have no involvement with or responsibility for supervising the Notice and Claims Administrators and are not subject to the authority of the Notice and Claims Administrators.

7. All fees, costs, and expenses incurred in the administration and/or work by the Notice and Claims Administrators, including fees, costs, and expenses of the Notice and Claims Administrators, as well as the costs of distributing the Notice, shall be paid from the Settlement Funds. Janssen shall have no obligation to pay any such fees, costs, and expenses other than the Settlement Amount.

B. Distribution of Settlement Funds.

1. Upon further orders of the Court, the Notice and Claims Administrators, subject to such supervision and direction of the Court, Class Counsel, and/or the Special Master, as may be necessary or as circumstances may require, shall administer the claims submitted by Class Members and shall oversee distribution of the Settlement Funds, including distribution of the Net Settlement Funds to Class Members pursuant to the Plan of Allocation. Subject to the terms of this Agreement and any order(s) of the Court, the Settlement Funds shall be applied as follows:

a. to pay reasonable fees and costs, including legal fees, as compensation to the Escrow Agent for services rendered, as provided for in Section 7 of the Escrow Agreement and Exhibit C attached thereto;

b. to pay, up to five million U.S. Dollars (\$5,000,000.00), for Notice and Administrative Costs reasonably and actually incurred in connection with providing notice to the Class, in connection with administering and distributing the Net Settlement Funds to Class Members, and in connection with paying escrow fees and costs, if any;

c. to pay all costs and expenses, if any, reasonably and actually incurred in soliciting claims and assisting with the filing and processing of such claims;

d. to pay the Taxes and Tax Expenses as defined herein;

e. to pay any Fee and Expense Award, and any Service Awards to Class Representatives, that are approved by the Court, subject to and in accordance with the Agreement; and

f. to distribute the balance of the Net Settlement Funds to Class Members as allowed by the Agreement, the Plan of Allocation, or order of the Court.

2. No amount may be disbursed from the Settlement Funds until the Effective Date, except that: (a) Notice and Administrative Costs, to the extent authorized by the Court, may be paid from the Settlement Funds as they become due; (b) Taxes and Tax Expenses may be paid from the Settlement Funds as they become due; and (c) reasonable fees and costs, including legal fees, may be paid as compensation to the Escrow Agent for services rendered, as provided for in Section 7 of the Escrow Agreement and Exhibit C attached thereto.

C. Distribution of Net Settlement Funds.

1. Upon the Effective Date and thereafter, and in accordance with the terms of this Agreement, the Plan of Allocation, and any further order(s) of the Court as may be necessary or as circumstances may require, the Net Settlement Funds shall be distributed to Class Members.

2. The Net Settlement Funds shall be distributed to Class Members that submit a Registration Form and/or Claim Form in accordance with a Plan of Allocation to be approved by the Court. No funds from the Net Settlement Funds shall be distributed until after the Effective Date.

3. All Class Members shall be subject to and bound by the provisions of this Agreement, the releases contained herein, and the Final Judgment with respect to all Released Claims.

D. No Liability for Distribution of Escrow Account. Neither the Released Entities nor their counsel shall have any responsibility for, interest in, or liability whatsoever with respect to the distribution of the Escrow Account; the Plan of Allocation; the determination, administration, or calculation of claims; the Escrow Account's qualification as a "qualified settlement fund"; the payment or withholding of Taxes or Tax Expenses; the distribution of the Net Settlement Funds; or any losses incurred in connection with any such matters. The Releasers hereby fully, finally, and forever release, relinquish, and discharge the Released Entities and their counsel from any and all such liability. No entity shall have any claim against Class Counsel or the Notice and Claims Administrators based on the distributions made substantially in accordance with the Agreement and the Settlement contained herein, the Plan of Allocation, or further orders of the Court.

E. Balance Remaining in Net Settlement Funds. If there is any balance remaining in the Net Settlement Funds (whether by reason of tax refunds, uncashed checks, or otherwise), such balance shall be distributed in accordance with the Plan of Allocation or further order of the Court (but not to Janssen).

F. Orders Regarding Plan of Allocation. Any order or proceeding solely relating to the Plan of Allocation, including any adjustments to any Class Member's claim, shall not operate to terminate or cancel this Agreement or affect the finality of the Final Judgment, or any other orders entered pursuant to this Agreement.

VIII. Class Counsel's Attorneys' Fees and Expenses

A. **Fee and Expense Application.** Class Counsel may submit an application or applications (the "*Fee and Expense Application*") for distributions from the Settlement Funds for: (a) an award of attorneys' fees; (b) reimbursement of expenses incurred in connection with prosecuting the Action and the Other Actions brought by the Class Representatives; and (c) any interest on such Attorneys' Fees and Expenses at the same rate and for the same periods as earned by the Settlement Funds, as appropriate, and as may be awarded by the Court.

B. **Allocation.** Any fees and expenses awarded by the Court shall be allocated and distributed by and among Class Counsel using their judgment to compensate each counsel fairly based on their contribution to the institution, prosecution, and resolution of the Action and the Other Actions.

C. **Payment of Fee and Expense Award.** Any amounts that are awarded by the Court pursuant to Section VIII.A shall be paid from the Settlement Funds consistent with the provisions of this Agreement.

D. **Orders Regarding Award of Fees and Expenses.** The procedure for, and the allowance or disallowance by the Court of, the Fee and Expense Application are not part of the Settlement set forth in this Agreement. Any order or proceeding solely relating to the Fee and Expense Application, including any appeal from any Fee and Expense Award or any other order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the Final Judgment and the Settlement of the Action as set forth herein, *provided* that any such order or proceeding has no impact on any other aspect of the Settlement or this Agreement, including, without limitation, Sections V.G and VI.C.

E. **No Liability for Fees and Expenses of Class Counsel.** Neither the Released Entities nor their counsel shall have any responsibility for or liability whatsoever with respect to any payment(s) to Class Counsel pursuant to this Agreement and/or to any other entity who may assert some claim thereto or any Fee and Expense Award that the Court may make in the Action, other than as set forth in this Agreement.

F. **Service Award.** Class Representatives may request Service Awards in connection with their representation of the Class. Class Representatives' support for the Settlement is not in any way conditioned on their right to request, or receipt of, Service Awards.

IX. Releases and Dismissal

A. **No Future Actions Following Release.** As of the Effective Date, the Released Entities will be fully, finally, and forever released and discharged from all of the Releasers' Released Claims. Each Releaser will, on or before the Effective Date, hereby absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever, whether on its own behalf, or as part of any putative, purported, or certified class. The releases provided for in this Agreement are intended by the Settling Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to

Released Claims. This Agreement shall be a complete bar to any Released Claim. Other than as set forth herein, this Agreement does not include any provisions for injunctive relief. Class Members shall look solely to the Settlement Funds for settlement and satisfaction against the Released Entities of all claims that are released hereunder.

B. Claim-Over and Non-Party Settlement.

1. The payments made under this Agreement shall be the sole payments made by the Released Entities to Class Members involving, arising out of, or related to the Released Claims. Claims by Class Members against non-parties shall not result in additional payments by the Released Entities, whether through contribution, indemnification, or any other means.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. To the extent that, on or after the Effective Date, any Releasor enters into a Non-Party Settlement, including any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Janssen in Section IX.B.2 or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by the subsection is a material term of this Agreement.

4. To the extent that, on or after the Effective Date, a settlement on behalf of a class that would otherwise be a Non-Party Settlement is submitted to a court for preliminary or final approval under Rule 23 of the Federal Rules of Civil Procedure, the proponents of the settlement will include, unless prohibited by applicable law, a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Janssen in Section IX.B.2 or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. For the avoidance of doubt, the Settling Parties acknowledge that the effectiveness of any such provision will depend upon its approval by the court to which the settlement agreement is submitted in accordance with Rule 23 of the Federal Rules of Civil Procedure. The obligation to include the prohibition and/or release required by the subsection is a material term of this Agreement.

5. It is the intent of the Parties that the Agreement meets the Uniform Contribution Among Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to pay other parties.

6. The provisions of this Section IX.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

7. In the event that any Class Member obtains a judgment with respect to a Non-Released Entity and such Non-Released Entity asserts a Non-Party Covered Conduct Claim against the Released Entities related to the Released Claims, that Class Member and Janssen shall take the following actions to ensure that the Released Entities do not pay more with respect to the Released Claims to Class Members or to Non-Released Entities than the amounts owed under this Agreement by Janssen:

a. Janssen shall notify the Class Member of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or within sixty (60) days of the Effective Date, whichever is later.

b. Janssen's payment obligations under this Agreement are and shall be binding, notwithstanding the existence of any Claim-Over. In no event shall any Class Member be required to forego, disgorge, diminish, or alter any amounts owing under this Agreement as a result of any Claim-Over.

c. Janssen and the Class Member shall meet and confer concerning the means to hold the Released Entities harmless and ensure that Janssen or Released Entities are not required to make any payment with respect to the Released Claims beyond the Settlement Amount owed by Janssen under this Agreement.

d. The Class Member and Janssen shall take steps sufficient and permissible under applicable law to hold the Released Entities harmless from the Claim-Over and ensure the Released Entities are not required to make any payment with respect to the Released Claims beyond the Settlement Amount owed by Janssen under this Agreement. Such steps shall include, where permissible:

(i) Support by Releasers of a motion to dismiss or such other appropriate motion as may be filed by Janssen or Released Entities in response to any Claim filed in litigation or arbitration; and

(ii) Such other actions as that Releasor and Janssen may devise to hold the Released Entities harmless from the Claim-Over.

C. **Litigation Bar.** The Settling Parties contemplate and agree that this Agreement may be pleaded as a bar to a lawsuit, and an injunction may be obtained, preventing any action from being initiated or maintained in any case sought to be prosecuted on behalf of any Releasers with respect to the Released Claims.

D. **General Release.** The Releasors acknowledge that, by executing this Agreement, and for the consideration received hereunder, it is their intention to release, and they are releasing, all Released Claims, even Unknown Claims. In connection with the releases provided for in the Agreement, each Releasor expressly, knowingly, and voluntarily waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Releasors likewise expressly, knowingly, and voluntarily waive the provisions of Section 20-7-11 of the South Dakota Codified Laws, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

The Releasors acknowledge that they have been advised by Class Counsel of the contents and effects of California Civil Code § 1542, and hereby expressly waive and release with respect to the Released Claims any and all provisions, rights, and benefits conferred by California Civil Code § 1542 or by any equivalent, similar, or comparable law or principle of law in any jurisdiction, including, but not limited to Section 20-7-11 of the South Dakota Codified Laws. A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Releasor hereby expressly waives, and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Releasors' decision to participate in this Agreement.

E. **Assigned Interest Waiver.** To the extent that any Releasor has any direct or indirect interest in any rights of a third party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against the Released Entities (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Releasor waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to the Released Entities.

F. **Res Judicata.** Nothing in this Agreement shall be deemed to reduce the scope of the *res judicata* or claim preclusive effect that the Settlement gives rise to under applicable law.

G. **Effectiveness.** The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasers. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Funds or any portion thereof, by the enactment of future laws, or by any seizure of the Settlement Funds or any portion thereof.

H. **Cooperation.** Releasers (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Janssen to secure the prompt dismissal of any and all Released Claims.

I. **Non-Released Claims.** Notwithstanding the foregoing or anything in the definition of Released Claims, any claims solely to enforce the terms of this Agreement are not released.

J. **Liens.** Each Class Member agrees to be responsible for any liens, interests, actions, or claims asserted by any third party, in a derivative manner, for or against the portion of Settlement Funds allocated to that Class Member, including, without limitation, any derivative actions or claims asserted by any financial institutions, lenders, insurers, agents, representatives, successors, predecessors, assigns, attorneys, bankruptcy trustees, and any and all other entities who may claim through them in a derivative manner.

X. Miscellaneous Provisions

A. **No Admission of Liability or Wrongdoing.** The Class Representatives, the Class, and Janssen agree to settle the Released Claims and to execute this Agreement solely to compromise and settle protracted, complicated, and expensive litigation. Janssen does not admit liability or wrongdoing. This Agreement shall not be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Janssen.

B. **Voluntary Settlement.** Each Settling Party warrants and represents that it negotiated the terms of this Agreement in good faith. The Settling Parties agree that throughout the course of the litigation of the Action, the Settling Parties and their counsel vigorously prosecuted their claims and/or defenses consistent with the applicable rules of procedure.

C. **Integrated Agreement.** Except for any amendments, alterations, or modifications provided for under Section X.D, this Agreement, including its exhibits and any other attachments, embodies the entire Agreement and understanding between and among the Settling Parties relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral, and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter. It is understood by the Settling Parties that, except for the matters expressly represented herein, the facts or law with respect to which this Agreement is entered into may turn out to be other than or

different from the facts now known to each party or believed by such party to be true. Each Settling Party therefore expressly assumes the risk of the facts or law turning out to be so different and agrees that this Agreement shall be in all respects effective and not subject to termination by reason of any such different facts or law.

The exhibits to this Agreement are:

Exhibit A	Non-Exhaustive List of Certain Class Members
Exhibit B	List of Other Actions
Exhibit C	Plan of Allocation
Exhibit D	Registration Form
Exhibit E	Claim Form
Exhibit F	Form of Preliminary Approval Order
Exhibit G	Form of Final Approval Order
Exhibit H	Form of Notice
Exhibit I	Form of Summary Notice

D. **Amendment.** The terms and provisions of this Agreement may not be altered, amended, or modified except in writing signed by all Settling Parties. To the extent there is a conflict between the provisions of this Agreement, the Preliminary Approval Order, the Final Judgment, the Final Approval Order and/or the Plan of Allocation, each such document shall have controlling effect in the following rank order: (1) the Final Judgment, (2) the Final Approval Order, (3) the Preliminary Approval Order, (4) this Agreement, and (5) the Plan of Allocation.

E. **Execution in Counterparts.** This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature. Counsel for the Settling Parties to this Agreement shall exchange among themselves original or scanned counterparts and a complete, assembled executed counterpart shall be filed with the Court.

F. **Construction.** None of the Settling Parties shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

G. **Each Party to Bear Its Own Costs and Fees.** Except as otherwise provided herein, each Settling Party shall bear its own attorneys' fees and other litigation expenses and costs.

H. **Federal Rule of Evidence 408.** The Settling Parties agree that this Agreement, its terms and the negotiations surrounding this Agreement shall be governed by Federal Rule of

Evidence 408 and shall not be admissible or offered or received into evidence in any suit, action, or other proceeding, except as provided in this Agreement, upon the written agreement of the Settling Parties hereto, pursuant to an order of a court of competent jurisdiction, or as shall be necessary to give effect to, or to declare or enforce the rights of the Settling Parties with respect to, any provision of this Agreement. Notwithstanding anything to the contrary in this Agreement or otherwise, Janssen may file or use this Agreement and related materials in any action: (i) involving a determination regarding insurance coverage; (ii) involving a determination of the taxable income or tax liability of Janssen; (iii) to support a claim for contribution and/or indemnification; or (iv) to support any argument or defense by Janssen that the Settlement Amount provides a measure of compensation for asserted harms or otherwise satisfies the relief sought.

I. **Litigation Cooperation.** Upon request by Janssen, Class Representatives agree to cooperate in the provision of de-identified data from the Class Representatives for the sole purpose of a Released Entity recovering amounts owed to it pursuant to any insurance contract. If such request includes information beyond what was previously produced in the Other Actions, or used to support the Class Representatives' Registration and/or Claim Forms, the costs to extract, de-identify, and certify HIPAA compliance of such data shall be borne by Janssen. Upon request by the Class Representatives, Janssen agrees to cooperate in the provision of records and accompanying business records affidavits or a declaration pursuant to Federal Rule of Evidence 803 pertaining to documents produced by Janssen with true and correct facts relevant to the authenticity of documents produced in the Action or Other Actions.

J. **Binding Effect.** This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Settling Parties. Without limiting the generality of the foregoing, each and every covenant and agreement entered into herein by Class Representatives and Class Counsel shall be binding upon all Class Members.

K. **Notices.** All notices from or between the Settling Parties shall be in writing. Each such notice shall be given by: (a) email; (b) hand delivery; (c) registered or certified mail, return receipt requested, postage pre-paid; or (d) FedEx or similar overnight courier, and, if directed to any Class Member, shall be addressed to Class Counsel at their addresses set forth below, and, if directed to Janssen, shall be addressed to its attorneys at the addresses set forth below or such other addresses as Class Counsel or Janssen may designate, from time to time, by giving notice to all Settling Parties in the manner described in this paragraph.

Any Settling Party may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section X.K.

L. **Consent to Jurisdiction.** Janssen and each Class Member hereby irrevocably submit to the exclusive jurisdiction of the Court only for the specific purpose of any suit, action, proceeding, or dispute arising out of or relating to the enforcement of this Agreement or the applicability of this Agreement. Solely for purposes of such suit, action, or proceeding, to the fullest extent that they may effectively do so under applicable law, Janssen and the Class Members irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the jurisdiction of the Court or that the Court is in any way an improper venue or an inconvenient forum. For the avoidance of doubt, nothing herein shall be construed as a submission to jurisdiction in any action involving a determination regarding insurance coverage.

M. **Resolution of Disputes; Retention of Exclusive Jurisdiction.** Any disputes between or among Janssen and any Class Members concerning matters contained in this Agreement, including the Plan of Allocation, shall, if they cannot be resolved by negotiation and agreement, be submitted to the Court. The Court shall retain exclusive jurisdiction over the implementation and enforcement of the Settlement.

N. **Choice of Law.** This Agreement shall be construed and enforced in accordance with, and governed by, the internal, substantive laws of the [State of New Mexico] without giving effect to that State's choice of law principles.

O. **Severability.** If any provision of this Settlement Agreement—excepting Section III (Class Definition), Section IV (Settlement Funds), Section V (Approval and Notice), Section VI (Conditions of Settlement; Effect of Disapproval, Cancellation, or Termination), and Section IX (Releases and Dismissal)—were for any reason held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of this Settlement Agreement.

P. **Waiver.** No delay or omission by any Settling Party in exercising any rights under this Agreement will operate as a waiver of that or any other right. A waiver or consent given by a Settling Party on any one occasion is effective only in that instance and will not be construed as a bar or waiver of any right on any other occasion, unless otherwise agreed in writing.

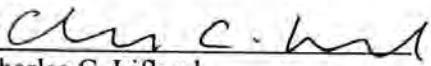

Q. **Confidentiality.** The terms of this Agreement shall remain confidential until the Motion for Preliminary Approval is filed, unless Janssen and Class Counsel agree otherwise, provided that the Settling Parties may disclose the terms of this Settlement to accountants, lenders, auditors, legal counsel, tax advisors, insurers, or consultants; or as part of any security or other disclosure required by law (as determined by a Settling Party and its counsel); or in response to a request by any governmental, judicial, or regulatory authority or otherwise required by applicable law or court order; and Class Members may disclose the terms of the Settlement to any entity that has applied to serve as Notice and Claims Administrators, or Escrow Agent, who shall abide by the terms of this paragraph. Any formal press release by a Settling Party regarding this Settlement prior to entry of the Final Approval Order shall be shared in advance with the other Settling Party, with a reasonable opportunity for comments and suggested changes. No such press release shall be made prior to Class Counsel moving for an order directing Notice to the Class.

¹ “Acute Care Hospital Class Action Settlement Agreements” refers collectively to the Distributor Class Action Settlement Agreement with Acute Care Hospitals dated [DATE], the Janssen Class Action Settlement Agreement with Acute Care Hospitals dated [DATE], the Teva Defendants Class Action Settlement Agreement with Acute Care Hospitals dated [DATE], and the Allergan Defendants Class Action Settlement Agreement with Acute Care Hospitals dated [DATE], all of which are available at www.acutecarehospitalsettlement.com.

PLAN OF ALLOCATION

- A. The Notice and Claims Administrators (A.B. Data Group and Cherry Bekaert Advisory, LLC) shall utilize this Plan of Allocation for the determination of all Claims, including any Allocated Amount due to any Qualifying Class Member under the proprietary Acute Care Hospital Allocation Model and Algorithm (the “Model”). The Notice and Claims Administrators will consider the eligibility of a Class Member with respect to each Settlement Class separately.
- B. The Model is prepared and operated by Cherry Bekaert Advisory, LLC (formerly known as Legier & Company, apac) and is consistent with the algorithm developed in the Purdue Pharma bankruptcy proceedings (Case No. 19-23649), and utilized thereafter in the Mallinckrodt, plc (Case No. 20-12522) and Endo (Case No. 22-22549) bankruptcy proceedings. Cherry Bekaert Advisory, LLC retains all intellectual property rights in the Model.
- C. A.B. Data Group shall mail the Notice to Class Members no later than twenty-one (21) calendar days following the entry of the Preliminary Approval Order pursuant to the Notice Plan. Following the occurrence of the Effective Date for each Settlement, A.B. Data Group will be authorized to remit payment to Qualifying Class Members under this Plan of Allocation. Cherry Bekaert Advisory, LLC shall manage the Settlement website www.acutecarehospitalsettlement.com, shall issue SFTP links upon a Class Member timely submitting the Registration Form, and shall process all timely submissions for determining eligibility for an Allocated Amount under the Model.
- D. Any Qualifying Class Member may participate in the Quick Pay option by submitting via email to info@acutecarehospitalsettlement.com a completed Registration Form (1) agreeing to be bound by the terms of each of the four Acute Care Hospital Class Action Settlement Agreements and (2) accepting the terms of the Quick Pay option in this Plan of Allocation. The default Quick Pay Amount shall be \$5,000. However, if one or more Settlements is not approved, or if a Class Member is ineligible for one or more Settlements by reason of a prior release, then the Quick Pay Amount owed shall be reduced, proportionally, based upon a comparison of the Up-Front Settlement Amount contributed by the Settling Defendant(s) in the Settlement(s) at issue with the total Up-Front Settlement Amounts of the four Settlements. The Up-Front Settlement Amount is the amount in cash to be paid into escrow by the Settling Defendant under its Settlement Agreement by no later than thirty (30) days following the Effective Date of the Settlement Agreement. Following a determination of the Class Member’s eligibility to participate in each of the four Acute Care Hospital Class Action Settlement Agreements, Qualifying Class Members electing Quick Pay will be disbursed funds within forty-five (45) days of the Effective Date of the approved Settlements.
- E. A Class Member may elect to participate in the more detailed damages calculation using the Model, which may result in an Allocated Amount greater (but not less) than the Class Member’s Quick Pay Amount. This process requires the Class Member to establish through requisite claims data (see Claim Form Section F.8) that it has calculable damages under the Model. The rejection or denial of a claim under the Model will result in a Qualifying Class Member receiving their Quick Pay Amount after an eligibility determination is made.
- F. Under the Model, Cherry Bekaert Advisory, LLC shall determine the Allocated Amount distributable to each Qualifying Class Member who has not elected Quick Pay based on: (1) the diagnostic codes associated with operational charges incurred by the Qualifying Class Member in connection with the treatment of OUD patient encounters in (a) the Emergency

Department, (b) Inpatient settings, and (c) Outpatient settings;² (2) the portion of such charges that were not reimbursed; and (3) the following distribution determination factors and weights:³

Factors	Weighting %
MMEs	10%
OUD Rates	10%
Opioid Deaths	5%
Operational Impact	35%
Opioid Patient %	15%
Litigation Participation	25%
Total	100.00%

The above factors are defined as follows:

1. Units of morphine milligram equivalents (“MMEs”) shipped into the Qualifying Class Member’s service area (“Service Area”) during the period of January 1, 2006 through December 31, 2014 (the “Measurement Period”);
2. Opioid use disorder rates (“OUD Rates”) at the state level, prorated for each Qualifying Class Member;
3. Opioid overdose deaths in the Qualifying Class Member’s Service Area (“Opioid Deaths”);
4. Operational impact calculated using the Qualifying Class Member’s opioid diagnoses codes, and charge and reimbursement data (“Operational Impact”);
5. The Qualifying Class Member’s opioid related patients as a percentage of its total patients (“Opioid Patient %”);
6. Participation in active litigation against an Opioid Manufacturer and/or any Settling Defendant⁴ (“Litigation Participation”) by commencing a civil action in a state or federal court and engaging in the following activities:⁵
 - (a) Hosting expert visits for the purpose of enabling the experts to engage with hospital personnel on the opioid epidemic at the hospital, and to review hospital policies, procedures, and programs regarding opioids;
 - (b) Producing claims data to the Settling Defendants;

² Refer to the Claim Form and instructions for the claims data details. Physician office visits and non-acute care visits should NOT be included in the data provided.

³ The “Model” calculates a Qualifying Class Member’s loss resulting from its treatment of patients with OUD and other opioid diagnoses in the emergency department and inpatient and outpatient settings, considering, among other things, the total charges and collections, including a causation algorithm applied to each patient encounter.

⁴ The Settling Defendants means the Released Entities defined in each of the Acute Care Hospital Class Action Settlement Agreements.

⁵ This participation factor is weighted at 25%, to be split equally amongst sub-factors (a)-(d).

- (c) Actively engaging in discovery by, e.g., responding to interrogatories and requests for production or admissions; supplying hospital financial documents, policies and procedures, custodial emails, and/or dispensing and discharge prescription data in response to requests by Settling Defendants or orders of a court; providing 30(b)(6) and/or fact witness testimony; propounding discovery to Settling Defendants; formally disclosing expert opinions consistent with federal and/or state court rules; or engaging in motion practice before a court and/or a special master; and
 - (d) Obtaining a court-ordered trial date.
- G. Qualifying Class Members shall be paid no more than ninety (90) days following the Effective Date of a Settlement Agreement for which the Qualifying Class Member has submitted a Claim, on a *pro rata* basis (up to the available amounts in the Net Settlement Funds) in a manner to be determined by Cherry Bekaert Advisory, LLC. Qualifying Class Members that submit a valid Claim will receive a payment of no less than what they would be entitled to receive from that Settlement under the “Quick Pay” option. A Qualifying Class Member will receive maximum payment if it submits a valid Claim for all four Settlements and the Effective Date for all four Settlements occurs.
- H. An Acute Care Hospital that previously received an allocation from the Chapter 11 Bankruptcy cases of Mallinckrodt, plc (Case No. 20-12522), and/or Endo (Case No. 22-22549) may direct the Notice and Claims Administrators (or their agents or representatives) to utilize in this claims process (to the extent applicable), the claims data, and/or information submitted in those claims processes.
- I. In order to encourage the development of innovative and effective hospital-led abatement programs, the Special Master, in consultation with the Notice and Claims Administrators, may elect to award up to \$3,000,000.00 of Net Settlement Funds to one non-profit Qualifying Class Member that maintains a formal abatement plan and OUD treatment program, in addition to any Allocated Amount that the non-profit Qualifying Class Member receives. A separate Notice will be sent alerting all Acute Care Hospitals of the process for making applications to receive these funds. The Special Master shall in his sole discretion award the funds.

Settlement Agreement.³ A Claimant may be ineligible for recovery under one or more Settlement Agreement(s), but still be eligible for recovery under other Settlement Agreements if it meets the eligibility criteria for those other Settlement Agreements.

A Claimant that submits a Registration Form or Claim Form may be contacted by representatives of Class Counsel or by the Notice and Claims Administrators for additional information regarding the Class Member's claims.

The submission of this Claim Form by the claim deadline of 5:00 p.m., Central Standard Time, on [DATE] (the "Claim Deadline") is a prerequisite to eligibility for an Allocated Amount but does not guarantee that a Class Member will be deemed eligible to receive an Allocated Amount. If a Class Member is deemed eligible to receive an Allocated Amount, the information provided in this Claim Form will be used to determine each such Allocated Amount. Class Members may redact information on this Claim Form or any attached documents as they deem necessary, although redactions may impact the Notice and Claims Administrators' determinations as to eligibility or the Allocated Amount. A Class Member shall only submit through the Secure File Transfer Protocol ("SFTP") link *copies* of any documents that support a claim and shall not mail or transmit hard copies or original documents; documents submitted may be destroyed after scanning and will not be returned to the Class Member.

A person who files a fraudulent claim on behalf of a Class Member may, at a minimum, be fined up to \$500,000.00, imprisoned for up to five years, or both, in accordance with 18 U.S.C. §§ 152, 157. Class Members shall provide the information requested that is, to the best of their knowledge, current and valid as of the date this Claim Form is completed and delivered to the Notice and Claims Administrators.

³ Exclusion of a Claimant from one Settlement Agreement on this basis does not necessarily prevent a Claimant from being eligible for the other Settlement Agreements identified in Footnote 1.

Please provide the following information to the Notice and Claims Administrators by delivering this completed Claim Form by secure file transfer protocol (“SFTP”) according to the instructions that will be provided to you once you register) prior to the Claim Form Deadline set forth on page 1 of this Claim Form.

Failure to submit a completed copy of this Claim Form by the Claim Deadline set forth on page 1 of this Claim Form may disqualify you from receiving an Allocated Amount. Additionally, failure to complete any portion of the Claim Form or to provide requisite claims data (as described herein) may result in a reduced Allocated Amount or disqualification from receiving an Allocated Amount.

8. For all inpatient and outpatient discharges during the period January 1, 2015 through December 31, 2020, from the Acute Care Hospital listed above, please provide the following data in CSV (Comma Delimited) Electronic File or Pipe-Delimited Electronic Text File to be used in connection with the determination of the Allocated Amount. **An example of the data**

⁷ To receive the 5% weight for this participation factor, the Acute Care Hospital must have participated in at least three of the six identified activities.

formatting is set forth in Exhibit A. This data should be in a separate CSV (Comma Delimited) Electronic File or Pipe-Delimited Electronic Text File for each Acute Care Hospital. Physician office visits and non-acute care visits should **NOT** be included in data provided.

For the CSV (Comma Delimited) Electronic File or Pipe-Delimited Electronic Text File, please include in the file name the Name of the Acute Care Hospital, City and State where located and Date Range of Data Provided, for example, PhoenixGeneral-Phoenix-AZ-Jan09-Dec12.csv. If more than one file is provided due to size limitations, each file name will be the same with only the date range of the data provided changing (e.g., PhoenixGeneral-Phoenix-AZ-Jan13-Dec20.csv).

It is important to note, and as further described below, that the following data for each visit/discharge will need to be repeated on each row corresponding to each different ICD diagnosis code (except for ICD diagnosis code, ICD diagnosis code description and ICD diagnosis code priority). The data for the ICD diagnosis codes, ICD diagnosis code descriptions and ICD diagnosis code priority for each visit/discharge will therefore be unique to each row. For example, if a visit has 18 ICD diagnosis codes, there would be 18 rows/lines for that visit/discharge with each line containing a different ICD diagnosis code, ICD diagnosis code description and ICD diagnosis code priority. For all other data fields such as Patient Medical Record Number, Date of Discharge, etc. this data will be the same, and thus repeated, on all 18 rows/lines for that visit/discharge.

To the extent the qualifying Acute Care Hospital utilizes a coding system for any columns/data fields, please provide an index to explain the contents of any column/data field to the secure portal provided by the Notice and Claims Administrators. For example, the Patient Type data provided includes a 1, 2, or 3 and these respective contents are 1=Inpatient, 2=Outpatient, and 3=Emergency.

Please also ensure that all columns/data fields that may contain commas are updated so that such columns/data fields are placed in quotations when populating the CSV or Pipe-Delimited Electronic Text File. The columns/data fields that often contain commas include, but are not limited to, Attending Physician Name, DRG and ICD Diagnosis Code Descriptions.

Once the CSV (Comma Delimited) or Pipe-Delimited Electronic Text File is prepared, **please review the data VERY CAREFULLY** to confirm the data in each column contains the applicable data for that respective column's data field description. For example, payment amounts (Total Payments) should not be shown in the DRG Code column/data field or ICD Diagnosis Code column/data field should not be blank or designated null for a patient visit without an explanation, etc. In conducting your review, this will require that you "reality test" your data before submission to ensure that it does not contain obvious errors and inconsistencies. **Each Class Member will be provided a secure portal by the Notice and Claims Administrators to upload an executed Business Associate Agreement ("BAA")**

with Cherry Bekaert Advisory, LLC (formerly known as Legier & Company, apac), and upload this requisite claims data to the secure portal.

The last two fields will only be populated where a facility has a neonatal unit and delivers babies. These two fields link the mother's record to the baby's medical record number (MRN) and vice versa. For example, if Patient 101 is a mother, the baby's MRN would be shown in column AG and column AF would be blank since the record relates to the mother. If the patient is the baby, then the mother's MRN would be shown in column AF and column AG would be blank since the records relates to the baby.

WHEREAS, an action is pending before this Court entitled *San Miguel Hospital Corp., d/b/a/ Alta Vista Regional Hospital v. Johnson & Johnson, et al.*, 1:23-cv-00903-KWR-JFR (D.N.M.) (the “Action”);

WHEREAS, the Settlement Class Representatives, on behalf of the proposed Settlement Class, having made a motion, pursuant to Federal Rule of Civil Procedure 23(e), for an order preliminarily approving the Settlement of this Action as to defendants Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (collectively, “*Janssen*”) in accordance with the Janssen Class Action Settlement Agreement with Acute Care Hospitals (the “Settlement Agreement” or “Settlement”), which, together with the

exhibits attached thereto, sets forth the terms and conditions for proposed Settlement of the Action and Other Actions as to Janssen and for dismissal of the Action and Other Actions with prejudice as to Janssen upon the terms and conditions set forth therein; and the Court having read and considered the Settlement Agreement and the exhibits attached thereto;

WHEREAS, Janssen does not oppose the Court's entry of the proposed Preliminary Approval Order;

WHEREAS, unless otherwise defined, all terms used herein have the same meanings as set forth in the Settlement Agreement;

WHEREAS, this Court has considered all of the presentations and submissions related to the Motion, as well as the facts, contentions, claims, and defenses as they have developed in these proceedings, and is otherwise fully advised of all relevant facts in connection therewith;

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. The Court has reviewed the Settlement Agreement and does preliminarily approve the Settlement between Plaintiffs and Janssen set forth therein as fair, reasonable, and adequate, subject to further consideration at the Fairness Hearing described below.

2. The Settlement Class shall consist of all entities that fall within one or more of the following categories:

(1) All Acute Care Hospitals in the United States that (a) are not owned or operated by a federal, state, county, parish, city, or other municipal government; and (b) treated patients diagnosed with opioid use disorder and/or other opioid-related conditions at any time from January 1, 2009, through the date of entry of the Preliminary Approval Order;

(2) all entities listed on Exhibit B to the Settlement Agreement; and

(3) all Plaintiffs in the Other Actions listed on Exhibit B to the Settlement Agreement.

Exhibits A and B to the Settlement Agreement are non-exhaustive lists and do not purport to identify all members of the Class.

The following are excluded from the Settlement Class:

(1) Any Acute Care Hospital whose Released Claims have been released by any other settlement with Janssen.

3. The Court preliminarily finds that the proposed Settlement Class satisfies all relevant requirements under Federal Rules of Civil Procedure 23(a) and 23(b)(3), for certification for settlement purposes only.

4. The Court preliminarily finds that the proposed Settlement of the Action between the Settlement Class Representatives and Janssen should be approved as: (i) the result of serious, extensive arm's-length and non-collusive negotiations; (ii) falling within a range of reasonableness warranting final approval; (iii) having no obvious deficiencies; and (iv) warranting notice of the proposed Settlement to Settlement Class Members and further consideration of the Settlement at the Fairness Hearing described below.

5. The Court appoints as Interim Settlement Class Counsel John W. ("Don") Barrett ("Barrett") of Barrett Law Group, P.A.; Warren T. Burns of Burns Charest LLP; Robert A. Clifford of Clifford Law Offices, P.C.; Steven B. Farmer of Farmer Cline & Campbell, PLLC; Charles J. LaDuca of Cuneo, Gilbert, & LaDuca, LLP; and Steven A. Martino of Taylor Martino, P.C. Barrett is designated as Lead Counsel. Interim Settlement Class Counsel and Janssen is authorized to take, without further Court approval, all necessary and appropriate steps to implement the Settlement, including the approved notice program.

6. The plaintiffs in the Action and the following Other Actions are appointed as Settlement Class Representatives: *Florida Health Sciences Center, Inc., et al. v. Richard Sackler, et al.*, Case No. 19-018882 (Cir. Ct. Broward Cnty., Fla.); *The DCH Health Care Authority, et al. v. Purdue Pharma, L.P., et al.*, Case No. CV-19-07 (Cir. Ct. Conecuh Cnty., Ala.); *Fort Payne*

Hospital Corporation, et al. v. McKesson Corporation, et al., Case No. 21-cv-2021-900016.00 (Cir. Ct. Conecuh Cnty., Ala.); and *Lester E. Cox Medical Centers d/b/a Cox Medical Centers, et al. v. Amneal Pharmaceuticals, LLC, et al.*, No. 6:22-cv-3192 (W.D. Mo.).

7. All litigation in any forum brought by or on behalf of a Releasor and that asserts a Released Claim, and all Claims and proceedings therein, are hereby stayed in all Courts as to the Released Entities, except as to proceedings that may be necessary to implement the Settlement. All Releasors are enjoined from filing or prosecuting any Claim in any forum or jurisdiction (whether federal, state, or otherwise) against any of the Released Entities, and any such filings are stayed; provided, however, that this Paragraph 7 shall not apply to any entity that files a timely and valid Opt-Out Form beginning as of the date such Opt-Out Form becomes effective. The provisions of this Paragraph will remain in effect until the earlier of (i) the Effective Date, in which case such provisions shall be superseded by the provisions of the Order Granting Final Approval, or (ii) the termination of the Settlement Agreement in accordance with its terms. This Order is entered pursuant to the findings under Federal Rule of Civil Procedure 23(e) set forth above, in aid of its jurisdiction over the members of the proposed Settlement Class and the settlement approval process under Rule 23(e).

8. If not already stayed, and to the extent not already filed, Settlement Class Counsel is directed to file motions to sever and stay the Other Actions brought by the Settlement Class Representatives as to Janssen until the Court renders a final decision regarding the approval of the Settlement.

9. The Fairness Hearing shall be held before this Court on _____ at [•], Mountain Time, at the United States District Court for the District of New Mexico, Pete V. Domenici Courthouse, 333 Lomas Blvd. NW, Albuquerque, NM, 87102, Courtroom [•], (A) to determine (i)

whether the proposed Settlement of the Action on the terms and conditions provided for in the Settlement Agreement is fair, reasonable, and adequate to the Settlement Class and should be finally approved by the Court; (ii) whether the proposed Final Judgment as provided under the Settlement Agreement should be entered as to Janssen; (iii) whether the proposed Plan of Allocation is fair, reasonable, and adequate and should be approved; (iv) the amount of Attorneys' Fees and Expenses; and (v) any Service Award to the Settlement Class Representatives; (B) to hear any objections by Settlement Class Members to (i) the Settlement or Plan of Allocation; (ii) the award of Attorneys' Fees and Expenses; and (iii) Service Awards to the Settlement Class Representatives; and (C) to consider such other matters the Court deems appropriate. The Court may adjourn the Fairness Hearing without further notice to the Settlement Class Members.

10. The assertion of an Objection does not opt the Settlement Class Member asserting it out of, or otherwise exclude that Settlement Class Member from, the Settlement Class. A Settlement Class Member within the Settlement Class can opt out of the Settlement Class and Settlement only by submitting a valid and timely Opt-Out Form in accordance with the provisions of Section V.G of the Settlement Agreement.

11. The Court approves, as to form and content, the Notice substantially in the form attached as Exhibit H to the Settlement Agreement.

12. The Court approves, as to form and content, Registration Form, Claim Form, and the Summary Notice (together, the "Notice Package"), substantially in the forms attached as Exhibits D, E, and I to the Settlement Agreement, respectively.

13. The Court finds that the distribution and posting of the Notice and Notice Package substantially in the manner and form set forth in Paragraphs 11 and 12 of this Order: (a) constitute the best notice to Settlement Class Members practicable under the circumstances; (b) are reasonably

calculated, under the circumstances, to describe the terms and effect of the Settlement Agreement and of the Settlement and to apprise Settlement Class Members of their right to object to the proposed Settlement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Settlement Class Members entitled to receive such notice; and (d) satisfy all applicable requirements of the Federal Rules of Civil Procedure (including Rules 23(c)–(e)), the United States Constitution (including the Due Process Clause), the Rules of this Court, and other applicable law.

14. The firms of A.B. Data Group and Cherry Bekaert Advisory, LLC (the “Notice and Claims Administrators”) are hereby appointed to supervise and administer the notice procedure as well as the processing of claims as set forth more fully below.

15. The Honorable Thomas L. Hogan (Ret.) (“Special Master”) is hereby appointed to oversee the process of allocating the Net Settlement Funds as provided in the Plan of Allocation.

16. Not later than [REDACTED], 2024 (the “Notice Date”), the Notice and Claims Administrators shall commence distribution of the Notice Package to all Settlement Class Members that can be identified with reasonable effort and to be posted on the case-designated website, www.acutecarehospitalsettlement.com, according to the Notice Plan in the Declaration of [REDACTED] filed in support of Preliminary Approval. The Notice shall be given as soon as practicable after entry of this Order and, in any event, no more than twenty-one (21) calendar days following the entry of this Order.

17. No later than fourteen (14) calendar days following the Notice Date, Settlement Class Counsel shall serve on Janssen and file with the Court proof, by affidavit or declaration, of such distribution.

18. In accordance with Section IV.C.1 of the Settlement Agreement and the terms of the Escrow Agreement, the Court appoints Pinnacle Bank as Escrow Agent, which shall control and

administer an Escrow Account to be established as set forth in the Settlement Agreement. Within thirty (30) calendar days of entry of this Order, Janssen shall pay the Settlement Amount into the Escrow Account. Within three (3) business days following the entry of the Preliminary Approval Order, Class Counsel will provide wire instructions and other information necessary for payment, pursuant to instructions to be communicated by Janssen no later than the business day following the entry of the Preliminary Approval Order. Any portion of the Settlement Amount not used for Notice and Administrative Costs and Taxes or Tax Expenses paid, incurred, or due and owing shall be returned to Janssen if, for any reason, the Settlement does not become final.

19. All fees and expenses incurred in identifying and notifying Settlement Class Members shall be paid from the Settlement Funds. The Escrow Agent may direct payment of up to \$5,000,000 for reasonable Notice and Administrative Costs as approved by the Court. Any money paid for Notice and Administrative Costs shall not be returned or repaid to Janssen.

20. Consistent with the requirements of Federal Rules of Civil Procedure 1 and 23 and due process, the Notice and Claims Administrators shall coordinate with the Settling Parties to minimize costs in effectuating its duties.

21. All Settlement Class Members shall be bound by all determinations and judgments in the Action concerning the Settlement, whether favorable or unfavorable to the Settlement Class, regardless of whether such Settlement Class Members or entities seek or obtain by any means, including, without limitation, by submitting a Registration Form, Claim Form, or any similar documentation, any Allocated Amount.

22. Settlement Class Members that wish to participate in the Settlement shall complete and submit Registration and Claim Forms in accordance with the instructions contained therein. Unless the Court orders otherwise, all Registration Forms and Claim Forms must be submitted no

later than ___ days from the Effective Date. Any Settlement Class Member that submits a Registration Form and/or Claim Form shall reasonably cooperate with the Notice and Claims Administrators, including by promptly responding to any inquiry made by the Notice and Claims Administrators. Any Settlement Class Member that does not timely submit a Registration Form and/or Claim Form within the time provided shall be barred from sharing in the distribution of the proceeds of the Settlement but shall nonetheless be bound by the Settlement Agreement, the Final Judgment, and the releases therein, unless otherwise ordered by the Court.

23. The Registration Form and Claim Form must comply with the requirements set forth in the Settlement Agreement and any further requirements described in the forms attached as Exhibits D and E to the Settlement Agreement.

24. Any Settlement Class Member may enter an appearance in the Action, at the Class Member's own expense, individually or through counsel of the Settlement Class Member's own choice. If a Settlement Class Member does not enter an appearance, that Settlement Class Member will continue to be represented by Settlement Class Counsel.

25. Any Settlement Class Member may appear, at the Court's discretion, at the Fairness Hearing and show cause why the proposed Settlement of the Action should or should not be approved as fair, reasonable, and adequate, why a judgment should or should not be entered thereon, why the Plan of Allocation should or should not be approved, why Attorneys' Fees and Expenses should or should not be awarded to Settlement Class Counsel, or why an amount of Service Awards should or should not be awarded to the Settlement Class Representatives; provided, however, that no Settlement Class Member or any other entity shall be heard or entitled to contest such matters, unless that Settlement Class Member or entity has complied with Section V.F of the Settlement Agreement, including by (a) delivering by hand or first-class mail written Objections and

copies of any papers and briefs such that they are received, not simply postmarked, on or before _____, 2024 by Settlement Class Counsel and Janssen and (b) filing said Objections, papers, and briefs with the Clerk of the United States District Court for the District of New Mexico, 333 Lomas Blvd. NW, Albuquerque, NM 87102, on or before _____, 2024, which date shall be no more than forty-five (45) calendar days after the commencement of the dissemination of the Notice.

26. Any Objections must: (a) state the name, address, and telephone number of the objector and must be signed by the objector even if represented by counsel; (b) state that the objector is objecting to the proposed Settlement, Plan of Allocation, the application for Attorneys' Fees and Expenses, and/or application for Service Awards to Settlement Class Representatives; (c) state the Objection(s) and the specific reasons for each Objection, including any legal and evidentiary support the objector wishes to bring to the Court's attention; (d) state whether the Objection applies only to the objector, to a subset of the Settlement Class, or to the entire Settlement Class; (e) identify all class actions to which the objector and its counsel have previously objected; (f) include documents sufficient to prove the objector's membership in the Settlement Class, such as the objectors' status as an Acute Care Hospital and its treatment of patients diagnosed with opioid use disorder; (g) state whether the objector intends to appear at the Fairness Hearing; (h) if the objector intends to appear at the Fairness Hearing through counsel, state the identity of all attorneys who will appear on the objector's behalf at the Fairness Hearing; and (i) state that the objector submits to the jurisdiction of the Court with respect to the Objection or request to be heard and the subject matter of the Settlement of the Action, including, but not limited to, enforcement of the terms of the Settlement. At the request of Settlement Class Counsel, an objector shall submit to a deposition within thirty (30) days of the filing of the objection. The deposition shall be conducted at a mutually convenient time and place, and in accordance with the Federal Rules of Civil Procedure.

27. The Court will consider a Settlement Class Member's Objection only if the Settlement Class Member has complied with the above requirements. Any Settlement Class Member that does not object in the manner provided herein shall be deemed to have waived such Objection and shall forever be foreclosed from making any Objection to the fairness, reasonableness, or adequacy of the proposed Settlement, the Plan of Allocation, the Attorneys' Fees and Expenses, or to any Service Award, unless otherwise ordered by the Court. All presentations of Objections will be further limited by the information listed in the Objection. A Settlement Class Member's compliance with the foregoing requirements does not in any way guarantee that Settlement Class Member the ability to present evidence or testimony at the Fairness Hearing. The decision whether to allow any testimony, argument, or evidence, as well as the scope and duration of any and all presentations of Objections at the Fairness Hearing, will be in the sole discretion of the Court. Settlement Class Members submitting written Objections are not required to attend the Fairness Hearing, but any Settlement Class Member wishing to be heard orally in opposition to the approval of the Settlement, the Plan of Allocation, and/or the application for an award of Attorneys' Fees and Expenses and/or Service Awards must file a written Objection and indicate in the written Objection its intention to appear at the hearing and to include in its written Objections the identity of any witnesses it may call to testify and copies of any exhibits it intends to introduce into evidence at the Fairness Hearing. Settlement Class Members do not need to appear at the Fairness Hearing or take any other action to indicate their approval of the Settlement.

28. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to the Settlement Agreement and/or further order(s) of the Court.

29. The Court has reviewed the proposed Escrow Agreement and Section IV.C of the Settlement Agreement and approves the Escrow Agreement and Section IV.C of the Settlement Agreement and authorizes that the Escrow Account established pursuant to the Escrow Agreement be established as a “qualified settlement fund” within the meaning of Treasury Regulations 28 CFR § 1.468B-1. Such account shall constitute the Qualified Settlement Fund as defined in the Settlement Agreement. The Court shall maintain continuing jurisdiction over these proceedings (including over the administration of the Qualified Settlement Fund) for the benefit of the Settlement Class.

30. All opening briefs and supporting documents in support of the Settlement, the Plan of Allocation, and any application by Settlement Class Counsel for attorneys’ fees, charges, and expenses and Service Awards to the Settlement Class Representatives shall be filed and served by no later than [REDACTED], 2024, and any reply papers, including any responses to Objections, shall be filed and served no later than [REDACTED], 2024.

31. The Released Entities shall have no responsibility for the Plan of Allocation or any application for Attorneys’ Fees and Expenses submitted by Settlement Class Counsel or any Service Award to the Settlement Class Representatives, and such matters will be considered separately from the fairness, reasonableness, and adequacy of the Settlement.

32. The procedures for the submission of Opt-Out Forms set forth in Section V.G of the Settlement Agreement and the instructions in the Notice regarding the procedures that must be followed to opt out of the Settlement Class and Settlement are approved.

33. Any Settlement Class Member wishing to opt out of the Settlement Class and Settlement must submit a written and signed Opt-Out Form to the Notice Administrator and email it to Janssen and Settlement Class Counsel as set forth in the Notice. Such written request must be received by the Notice Administrator, Settlement Class Counsel, and Janssen no later than the date

forty-five (45) calendar days following the commencement of the Notice Plan, which is the last day of the opt out period (the “Opt-Out Deadline”).

34. The Opt-Out Form must certify, under penalty of perjury in accordance with 28 U.S.C. § 1746, that the submitting entity is acting on its own behalf, is included in the Class definition, and is legally authorized to exclude itself from the Settlement and must: provide an affidavit or other proof of the standing of the submitting entity and why it would be a Settlement Class Member absent the Opt-Out; provide the submitting entity’s name, address, telephone number and email address (if available); provide the National Provider Identifier (if available) and CMS Certification Number (if available); provide a list of current and former names of the submitting entity, including any and all names under which the entity does or has done business since January 1, 2009; and be received by the Notice and Claims Administrators, Settlement Class Counsel, and Janssen no later than the date designated for such purpose in the Notice.

35. No later than seven (7) calendar days after the Opt-Out Deadline, the Notice and Claims Administrators shall provide Janssen, Settlement Class Counsel, and the Court with the Opt-Out Report identifying all requests to be excluded from the Settlement Class, and whether any such requests were deemed untimely and/or failed to provide any of the information required in Section V.G of the Settlement Agreement or were otherwise inadequate. Janssen may, in its sole discretion, terminate the Settlement Agreement by providing notice to Settlement Class Counsel within fifteen (15) business days following receipt by Janssen of the Opt-Out Report of the Notice and Claims Administrators detailing all opt-outs from the Settlement. If Janssen does not provide notice of exercise of the Walk-Away Right to Settlement Class Counsel in accordance with this paragraph, the Walk-Away Right shall be waived.

36. If the Settlement Agreement is terminated or is not consummated for any reason,

the Court's findings with respect to certification of the Settlement Class shall be void, the Action against Janssen for all purposes will revert to its status prior to the execution of the settlement term sheet, and any unexpended Settlement Funds shall be returned to Janssen as provided in Section VI of the Settlement Agreement, as applicable. In such event, Janssen will not be deemed to have consented to certification of any class, and will retain all rights to oppose, appeal, or otherwise challenge, legally or procedurally, class certification or any other issue in the Action. Likewise, if the Settlement does not reach Final Judgment, then the participation in that Settlement by any Settlement Class Representative or Settlement Class Member cannot be raised as a defense to their claims.

37. At or after the Fairness Hearing, the Court shall determine whether the Plan of Allocation proposed by Settlement Class Counsel, and any application for Attorneys' Fees and Expenses or any Service Award to the Settlement Class Representatives should be approved. The Court may, in its discretion, enter the Final Judgment approving the Settlement regardless of whether it has approved the Plan of Allocation or awarded Attorneys' Fees and Expenses or any Service Award to the Settlement Class Representatives.

38. All reasonable expenses incurred in identifying and notifying Settlement Class Members, as well as administering the Settlement Funds, shall be paid as set forth in the Settlement Agreement. In the event that the Settlement is not approved by the Court, or otherwise fails to become effective, the Settlement Funds shall be returned to Janssen pursuant to written instructions provided by Janssen, less interest accrued on the Escrow Account; Notice and Administrative Costs paid, incurred, or due and owing; and Taxes or Tax Expenses paid, incurred, or due and owing.

39. Neither this Preliminary Approval Order, the Settlement Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be

considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Janssen.

40. The Court reserves the right to adjourn the date of the Fairness Hearing without further notice to the members of the Settlement Class and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Settling Parties, as provided in the Settlement Agreement, if appropriate, without further notice to the Settlement Class.

41. If the Settlement Agreement and the Settlement set forth therein is not approved or consummated for any reason whatsoever, the Settlement Agreement and Settlement and all proceedings had in connection therewith shall be without prejudice to the rights of the Settling Parties to the Settlement Agreement *status quo ante*, except as otherwise expressly provided in the Settlement Agreement.

42. Pending final determination of whether the proposed Settlement should be approved, neither the Settlement Class Representatives nor any Settlement Class Member, directly or indirectly, representatively, or in any other capacity, shall commence or prosecute against Janssen, any action or proceeding in any court or tribunal asserting any of the Plaintiffs' Released Claims.

43. Settlement Class Counsel and Janssen are authorized to use all reasonable procedures in connection with administration and obtaining approval of the Settlement Agreement that are not inconsistent with this Order Granting Preliminary Approval or the Settlement Agreement, including making, without further approval of the Court or notice to Settlement Class Members, minor changes to the Settlement Agreement, to the form or content of the Notice, or otherwise to the extent the Parties jointly agree such minor changes are reasonable and necessary.

44. Except to the extent the Settling Parties may agree to resolve through mediation

any disputes that may arise prior to the entry of judgment, the Court retains exclusive jurisdiction over the Action to consider all further matters arising out of or connected with the Settlement.

IT IS SO ORDERED.

The Hon. Judge Kea Riggs

[PROPOSED] FINAL JUDGMENT AND ORDER OF DISMISSAL WITH PREJUDICE AS
TO JANSSEN

WHEREAS, this matter came before the Court pursuant to the Preliminary Approval Order (I) Preliminarily Approving the Settlement Pursuant to Fed. R. Civ. P. 23(e)(1), (II) Appointing the Notice and Claims Administrators and Special Master, (III) Approving Form and Manner of Notice to Settlement Class Members, (IV) Scheduling a Final Fairness Hearing to Consider Final Approval of the Settlement, and (V) Granting Related Relief (“Order”) dated _____, 2024, on the application of the Settlement Class Representatives for approval of the Janssen Class Action Settlement Agreement with Acute Care Hospitals (“Settlement Agreement”) dated _____. Due and adequate notice having been given to the Settlement Class as required in the Order, and the Court having considered all papers filed and proceedings had herein and good cause appearing therefore, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that:

1. This Final Judgment and Order of Dismissal with Prejudice as to Janssen¹ (“Final Judgment”) incorporates by reference: (a) the Settlement Agreement; (b) the Notice of Proposed Settlement of Class Action and Summary Notice (collectively, the “Notice”); and (c) the Declaration of the Notice and Claims Administrators filed with this Court on _____, 2024. All terms used herein shall have the same meanings as set forth in the Settlement Agreement, unless otherwise defined herein.

2. The Court has jurisdiction over the subject matter of the Action and over all Settling Parties and all Settlement Class Members.

3. The Court certifies the Settlement Class defined in Section III.A of the Settlement Agreement, which Settlement Class is certified for settlement purposes only.

4. The Notice given to the Settlement Class was the best notice practicable under

¹ Janssen collectively refers to the following Defendants: Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc.

the circumstances and of the matters set forth therein, including the proposed Settlement set forth in the Settlement Agreement, to all Persons entitled to such notice, and said notice fully satisfied the requirements of the Federal Rules of Civil Procedure (including Rules 23(c)–(e)), the United States Constitution (including the Due Process Clause), the rules of this Court, and other applicable law.

5. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court hereby affirms its determinations in the Preliminary Approval Order, fully and finally approves the Settlement set forth in the Settlement Agreement in all respects, and finds that:

(a) the Settlement Agreement and the Settlement contained therein, is, in all respects, fair, reasonable, and adequate, and in the best interests of the Settlement Class;

(b) there was no collusion in connection with the Settlement;

(c) the Settlement was the product of informed, arm's-length negotiations among competent, able counsel with the assistance of third-party mediators; and

(d) the record is sufficiently developed and complete to have enabled the Settlement Class Representatives and Janssen to have adequately evaluated and considered their positions.

6. Accordingly, the Court authorizes and directs implementation and performance of all the terms and provisions of the Settlement Agreement, as well as the terms and provisions hereof. Except as to any individual claims of those persons or entities who have validly and timely requested exclusion from the Settlement Class, as set forth in Exhibit B to Settlement Class Counsel's Motion for Award of Attorneys' Fees and Expenses, the Court hereby dismisses the Action as to Janssen and all Released Claims against the Released Entities with prejudice. The Settling Parties are to bear their own costs, except as and to the extent provided in the

Settlement Agreement, and any separate order(s) entered by the Court regarding Class Counsel's Motion for Award of Attorneys' Fees and Expenses.

7. The Releases set forth in Section IX of the Settlement Agreement, together with the definitions contained in the Settlement Agreement relating thereto, are expressly incorporated herein by reference. Accordingly, this Court orders that:

(a) Upon the Effective Date, and as provided in the Settlement Agreement, the Settlement Class Representatives shall, and each of the Settlement Class Members shall be deemed to have, and by operation of this Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged any and all Released Claims against the Released Entities, whether or not such Settlement Class Member shares in the Settlement Funds. Claims to enforce the terms of the Settlement Agreement are not released.

(b) The Settlement Class Representatives and all Settlement Class Members, Releasers, and anyone claiming through or on behalf of any of them, are hereby forever and permanently barred and enjoined from commencing, instituting, prosecuting, or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, or administrative forum, asserting any of the Released Claims, or any claim related in any way to the Released Claims, against any of the Released Entities.

(c) The Settlement Class Representatives and all Settlement Class Members, Releasers, and anyone claiming through or on behalf of any of them, shall cooperate with Janssen to promptly dismiss with prejudice the Other Actions listed in Exhibit A to the Settlement Agreement and all other pending litigation asserting any of the Released Claims against any of the Released Entities.

8. Upon the Effective Date, any and all persons or entities shall be permanently

barred, enjoined, and restrained, to the fullest extent permitted by law, from bringing, commencing, prosecuting, or asserting any and all claims, actions, or causes of action for contribution or indemnity or otherwise against Janssen or any of the Released Entities seeking as damages or otherwise the recovery of all or any part of any liability, judgment, or settlement which they pay or are obligated or agree to pay to the Settlement Class or any Settlement Class Member arising out of, based upon, relating to, concerning, or in connection with any facts, statements, or omissions that were or could have been alleged in the Action or the Other Actions. Notwithstanding the foregoing, nothing herein shall bar any action by any of the Settling Parties to enforce or effectuate the terms of the Settlement Agreement, the Settlement, or this Final Judgment.

9. All objections to the Settlement Agreement are found to be without merit and are overruled.

10. The Settlement is not subject to any modification without approval from the Court, and without the express written consent of Settlement Class Counsel and Janssen.

11. The terms of the Settlement and of this Final Judgment are forever binding on the Settling Parties and Settlement Class Members, as well as their respective heirs, executors, administrators, predecessors, successors, affiliates, and assigns. Settlement Class Members include all entities within the Settlement Class definition in Section III.A of the Settlement Agreement that did not submit a timely and valid Opt-Out Form that was recognized as such in accordance with the procedures set forth in the Settlement Agreement and the Preliminary Approval Order.

12. The Court finds that the Settlement is a good-faith settlement that bars any Claim by any Non-Released Entity against any Released Entities for contribution, indemnification, or

that otherwise seeks to recover all or a portion of any amounts paid by or awarded against that Non-Released Entity to any Settlement Class Member or Releasor by way of settlement, judgment, or otherwise on any Claim that would be a Released Claim were such Non-Released Entity Janssen, to the extent that a good-faith settlement (or release thereunder) has such an effect under applicable law, including, without limitation, N.M. Stat. § 41-3-4, Cal. Civil Code § 1542, and S.D. Codified Laws § 20-7-11, and similar laws in other states or jurisdictions.

13. Any Plan of Allocation submitted by Settlement Class Counsel or any order entered regarding any Attorneys' Fees and Expenses or Service Awards to the Settlement Class Representatives shall in no way disturb or affect this Final Judgment and shall be considered separate from this Final Judgment.

14. Neither the Settlement Agreement nor the Settlement contained therein, nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claim or of any wrongdoing or liability of Janssen or Released Entities; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of Janssen or Released Entities in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Notwithstanding the foregoing, Janssen and/or the Released Entities may file the Settlement Agreement and/or this Final Judgment in any other action that may be brought against it in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar, or any theory of claim preclusion or issue preclusion or similar defense.

15. Without affecting the finality of this Final Judgment in any way, this Court hereby

retains continuing jurisdiction over: (a) implementation of this Settlement and any award or distribution of the Settlement Funds, including interest earned thereon; (b) disposition of the Settlement Funds; (c) hearing and determining applications for Attorneys' Fees and Expenses or Service Awards to the Settlement Class Representatives; (d) all parties herein for the purpose of construing, enforcing, and administering the Settlement Agreement; (e) the Settlement Class Members for all matters relating to the Action; (f) the Escrow Account and Escrow Agent in its capacity as administrator of the Escrow Account; and (g) other matters related or ancillary to the foregoing. The administration of the Settlement and the decision of all disputed questions of law and fact with respect to the validity of any claim or right of any person or entity to participate in the distribution of the Net Settlement Funds shall remain under the authority of this Court.

16. The deadline for Settlement Class Members to submit Claim Forms will be ___ days from the Effective Date. Settlement Class Counsel shall make practicable efforts to provide Settlement Class Members with notice of this Final Judgment and the deadline to submit a Claim Form.

17. The Court finds that during the course of the Action, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

18. If the Settlement does not become effective in accordance with the terms of the Settlement Agreement or the Effective Date does not occur, then this Final Judgment shall be rendered null and void to the extent provided by and in accordance with the Settlement Agreement and shall be vacated and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Settlement Agreement, and the Settlement Funds shall be returned in accordance with the

Settlement Agreement.

19. Without further order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.

20. The Court finds, pursuant to Federal Rule of Civil Procedure 54(b), that there is no just reason for delay, and directs immediate entry of this Final Judgment by the Clerk of the Court.

21. Within fourteen days of the filing of any Notice of Appeal to this Order, the Settling Parties are granted leave to file a motion under Federal Rule of Appellate Procedure 7 for the assessment of an appropriate bond for costs on appeal, including any to be assessed under 18 U.S.C. § 1964(c) and/or Federal Rule of Civil Procedure 68.

IT IS SO ORDERED.

THE HONORABLE KEA RIGGS
UNITED STATES DISTRICT JUDGE

EXHIBIT H

COURT-ORDERED LEGAL NOTICE
UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEW MEXICO

If you are an Acute Care Hospital that treated patients diagnosed with opioid use disorder and/or other opioid-related conditions, you may receive a payment from \$651 million in class action settlements.

A federal court authorized this notice. This is not a solicitation from a lawyer.

If you are included, your legal rights will be affected whether you act or don't act. Please read this notice carefully.

Four proposed settlements ("Settlements"), totaling \$651 million with four Defendant groups have been reached in a class action lawsuit. The lawsuit alleges that to sell as many prescription opioids as possible, manufacturers misrepresented the risks and safety of prescription opioid use, distributors did not properly monitor, stop, or report suspicious orders, and pharmacies filled opioid prescriptions that were not written for legitimate medical purposes. It further alleges that as a result, acute care hospitals must now spend additional money and resources to treat opioid-dependent patients and patients with opioid-related conditions that they would not have had to treat otherwise. Defendants deny that they did anything wrong. The Court has not decided who is right.

Under the Settlements, the settling Defendants agreed to pay money to resolve the claims against them. The Settlements do not resolve claims against Defendants who did not agree to settle, and the lawsuit against these non-settling Defendants will continue.

Generally, you are included if you are an acute care hospital in the United States that (a) treated patients diagnosed with opioid use disorder and/or other opioid-related conditions from January 1, 2009, through [Month 00, 2024], and (b) is not owned or operated by a federal, state, county, parish, city, or other municipal government.

The full text of the Settlements is available at www.acutecarehospitalsettlement.com. In the event of any inconsistency between this notice and the terms of the Settlements, the Settlements' terms control.

This notice is not intended to be an expression of any opinion by the Court with respect to the truth of the allegations in the Action or the merits of the claims or defenses asserted. This notice is solely to advise you of proposed Settlements in this Action and your rights in connection with the Settlements.

YOUR LEGAL RIGHTS AND OPTIONS	
SUBMIT A CLAIM	<p>You must submit a Registration Form and may submit a Claim Form to file a claim for a payment from these Settlements.</p> <p>The deadline to submit these forms is [Month 00, 2024].</p>
OBJECT	<p>You may write to the Court about why you do not like the Settlements. The objection deadline is [Month 00, 2024].</p> <p>Additionally, you may ask to go to the Fairness Hearing and speak in Court about the fairness of the Settlements.</p> <p>If you object to the Settlements, you are still a Class Member and you must file a claim to receive a payment.</p>
OPT OUT	<p>You may write to the Settlement Administrator and exclude yourself (or “opt out”) from one or more of the Settlements. Exclusion allows you to file your own lawsuit against the settling Defendants about the claims in this case. You will not receive any payment and will not be bound by the releases contained in the Settlements from which you exclude yourself. The exclusion deadline is [Month 00, 2024].</p>
DO NOTHING	<p>If you do nothing, you will not receive any payment. You will be bound by the releases in the Settlements and will not be able to sue the settling Defendants about the claims in this lawsuit.</p>

These rights and options are explained in this notice. If you do not act by the deadline for an option, you will lose your right to exercise that option. The Court overseeing this case still has to decide whether to approve the Settlements. You may receive a payment if the Court approves the Settlements and the period to appeal has expired and/or all appeals have been resolved. Please be patient.

BASIC INFORMATION

1. WHAT IS THIS LAWSUIT ABOUT?

This lawsuit is a class action known as *San Miguel Hospital Corp., d/b/a Alta Vista Regional Hospital v. Johnson & Johnson*, No. 1:23-cv-00903 (the “Lawsuit” or “Action”). Judge Kea Riggs of the United States District Court for the District of New Mexico is overseeing the lawsuit. The people or entities who sued are called the “Plaintiffs,” and the companies they sued are called the “Defendants.”

The lawsuit alleges that to sell as many prescription opioids as possible, manufacturers misrepresented the risks and safety of prescription opioid use, distributors did not properly monitor, stop, or report suspicious orders, and pharmacies filled opioid prescriptions that were not written for legitimate medical purposes. It further alleges that as a result, hospitals now must spend additional money and resources to treat opioid-dependent patients and patients with opioid-related conditions that they would not have had to treat otherwise. Defendants deny that they did anything wrong.

No court, jury, or other authority has decided whether Defendants did anything wrong.

Settlements have now been reached with four Defendant groups.

2. WHO ARE THE SETTLING DEFENDANTS?

There are four proposed Settlements with different groups of Defendants:

The Distributor Class Action Settlement is with Defendants, Cencora, Inc. (f/k/a AmerisourceBergen Drug Corporation) (“Cencora”), Cardinal Health, Inc. (“Cardinal”), and McKesson Corporation (“McKesson”) (the “Settling Distributors”).

The Janssen Class Action Settlement is with Defendants, Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (collectively, “Janssen”).

The Teva Class Action Settlement is with Teva Pharmaceuticals Industries, Ltd., Teva Pharmaceuticals USA, Inc., Cephalon, Inc., Actavis Pharma, Inc., Actavis LLC, Watson Laboratories, Inc. and Anda, Inc. (collectively, “Teva”).

The Allergan Class Action Settlement is with Allergan Finance, LLC (f/k/a Actavis, Inc. f/k/a Watson Pharmaceuticals, Inc.); Allergan Sales, LLC; and Allergan USA, Inc. (collectively, “Allergan”).

3. WHO ARE THE NON-SETTLING DEFENDANTS?

The non-settling Defendants are Indivior, Inc. f/k/a Reckitt Benckiser Pharmaceuticals, Inc.; Hikma Pharmaceuticals, Inc. f/k/a West- Ward Pharmaceuticals, Inc.; Henry Schein, Inc.; Walgreen Co.; Walgreen Eastern Co., Inc.; CVS Orlando FL Distribution, L.L.C.; CVS Pharmacy, Inc.; CVS Rx Services, Inc.; The Kroger Co.; Safeway, Inc.; Albertson’s LLC; Albertsons Companies, Inc.; HBC Service Company; Giant Eagle, Inc.; Publix Super Markets, Inc.; and Walmart Inc. f/k/a Wal-Mart Stores, Inc.

4. WHAT IS A CLASS ACTION?

In a class action, one or more people or entities called “named plaintiffs” or “class representatives” sue(s) on behalf of people and entities with similar claims. Together, these people and entities are called a “Class” or “Class Members.” One court resolves the issues for all Class Members, except for those who exclude themselves from the Class. A full list of the class representatives in this case is available in the Settlement Agreements which can be accessed at www.acutecarehospitalsettlement.com.

5. WHY ARE THERE SETTLEMENTS?

Neither the Court nor a jury has decided in favor of Plaintiffs or the settling Defendants. Instead, both sides have agreed to settle. If the Court approves the Settlements, the parties will avoid the costs, delay, and uncertainty of continuing the lawsuit, and Class Members receive the benefits described in this notice. Settlements do not mean that any law was broken or that the settling Defendants did anything wrong. The parties believe that the Settlements are best for the Class.

6. WHY IS THE LAWSUIT CONTINUING IF THERE ARE SETTLEMENTS?

Settlements were reached with only some of the Defendants. The lawsuit will continue against the non-settling Defendants. Additional money may become available in the future as a result of a trial or future settlements. Alternatively, this case may be decided in favor of the non-Settling Defendants and no additional money may become available. There is no guarantee as to what will happen.

7. ARE YOU PART OF THE SETTLEMENTS?

You are part of the Class and in the Settlements if you fall into one or more of the three following categories:

- (1) You are an Acute Care Hospital in the United States that treated patients diagnosed with opioid use disorder and/or other opioid-related conditions at any time from January 1, 2009, through [Month 00, 2024] and you are not owned or operated by a federal, state, county, parish, city, or other municipal government. To be considered an Acute Care Hospital under the Settlements, you must (a) provide medical care and other related services for surgery, acute medical conditions or injuries for a period of treatment time that is, on average, less than 25 days; and (b) either (i) appear as either active or inactive in the American Hospital Directory® as a “short term acute care” hospital or a “critical access” hospital or (ii) have an emergency department that is subject to the Emergency Medical Treatment and Labor Act (“EMTALA”);
- (2) You are an entity specifically identified in Exhibit A to the Settlement Agreements; and/or
- (3) You are a named plaintiff in the actions listed on Exhibit B to the Settlement Agreements.

Even if you are part of the Class, you may be excluded from participating in one or more settlements if your claims against a Settling Defendant were released in an earlier settlement.

The Settlement Agreements are available at www.acutecarehospitalsettlement.com.

8. WHAT IF YOU ARE STILL NOT SURE IF YOU ARE INCLUDED?

If you are not sure whether you are included or have any other questions about the Settlements, visit the website, www.acutecarehospitalsettlement.com, or call the toll-free number, 1-800-000-0000. You may also send questions to the Notice and Claims Administrator at Acute Care Hospital Settlement, c/o A.B. Data, Ltd., P.O. Box 0000, Milwaukee, WI 53217.

THE SETTLEMENTS

9. WHAT DO THE SETTLEMENTS PROVIDE?

If the Settlements are approved by the Court and become final, the settling Defendants will pay money to settle the lawsuit in exchange for releases of claims against them.

The Distributor Class Action Settlement Defendants will pay a total of \$390,000,000 in one lump sum.

The Janssen Class Action Settlement Defendants will pay a total of \$110,000,000 in one lump sum.

The Teva Class Action Settlement Defendants will pay a total of \$126,000,000 over eighteen years, with an immediate payment of \$15,000,000 and subsequent annual payments made on a schedule set forth in the Teva Class Action Settlement Agreement. In addition, over the next seven years, Teva will make \$49,000,000 worth of Naloxone Hydrochloride Nasal Spray kits available, free of charge, for Class Members who register for the Naloxone Kit Program.

The Allergan Class Action Settlement Defendants will pay a total of \$25,000,000 over three years, with an immediate payment of \$8,333,333 and two subsequent annual payments in the same amount.

These Settlement Funds (the Settlement Amounts plus interest) will be used to pay money to qualifying Class Members, attorney's fees and expenses, notice and administration costs, claims administration costs and expenses, taxes and tax expenses, and service awards to the class representatives.

More information and the specific released claims are defined in the Settlement Agreements, available at www.acutecarehospitalsettlement.com.

SETTLEMENT PAYMENTS

10. HOW MUCH WILL YOU RECEIVE FROM THE SETTLEMENTS?

You can get a payment from the Settlement Funds if you submit a valid claim. You can choose between two options.

- **OPTION 1:** You can fill out and submit a Registration Form and choose the "Quick Pay" option. If you select this option and your claim is valid, you do not have to fill out a Claim Form or provide claims data. If you are eligible for all four Settlements and all four Settlements become effective, you will get a \$5,000 payment. By selecting this option, you agree to be bound by all four proposed Settlements.

OR

- **OPTION 2:** You can fill out and submit a Registration Form, Business Associate and Confidentiality Agreement, and Claim Form with the required supporting documents, information, and claims data. The amount of your total payment will depend on the number of claimants, the amount, types of costs, and where you paid to treat patients with opioid use disorder; the amount of charges that were not reimbursed; the units of morphine milligram equivalents shipped to your service area, pro-rated opioid use disorder rates per state, opioid overdose deaths in your service area, operational impact, the percentage of opioid related patients you had out of your total patients, and how actively you've participated (if at all) in litigation against an opioid manufacturer and/or settling Defendant. If you select this option, submit a valid claim, and agree to be bound by each Settlement you are eligible to receive funds from, you will get a payment no less than what you would receive under the "Quick Pay" option.

Also, one non-profit, qualifying Class Member may be awarded up to \$3,000,000 to maintain its formal abatement plan and opioid use disorder treatment program. A separate notice will be sent about how to apply for these funds.

Payments will be made based on a Plan of Allocation approved by the Court. Under the Plan of Allocation, if one or more Settlements does not become effective or if a Class Member is ineligible for one or more Settlements by reason of a prior release, then the \$5,000 "Quick Pay" amount will be reduced proportionally. The proportion of the reduction is determined by comparing the up-front cash contributed by the Settlement(s) at issue with the total up-front contributions of the four Settlements. The proposed Plan of Allocation is available at www.acutecarehospitalsettlement.com. The Court may approve or modify the proposed Plan of Allocation without additional notice.

11. HOW CAN YOU GET A PAYMENT FROM THE SETTLEMENT FUNDS?

To make a claim for a payment from the Settlement Funds, you must fill out a Registration Form and submit it via email to info@acutecarehospitalsettlement.com no later than **[Month 00, 2024]**.

If you choose the “Quick Pay” option, you do not need to fill out a Claim Form or provide claims data.

If you do not choose the “Quick Pay” option, the Notice and Claims Administrator will send you a link to a secure file transfer protocol (“SFTP”) where you must fill out and submit a Business Associate and Confidentiality Agreement and Claim Form with any applicable supporting documents, information, and claims data no later than **[Month 00, 2024]**.

The Registration and Claim Forms include more detailed instructions. Forms are available at www.acutecarehospitalsettlement.com.

If you do not submit a timely claim with the required information and documents, you will not receive a payment from the Settlement Funds. Unless you timely excluded yourself from the Settlements, you will still be bound by the Settlements, the Judgments, and the releases contained in them.

12. IF YOU RECEIVED A PAYMENT IN PREVIOUS BANKRUPTCY CASES, DO YOU NEED TO PROVIDE CLAIMS DATA WITH YOUR CLAIM FORM?

No.

If you want to make a claim for a payment from the Settlement Funds, you must complete a Registration Form. If you choose the “Quick Pay” option, you do not need to provide claims data with your claim. If you do not choose the “Quick Pay” option, you must fill out and submit a Registration Form, Business Associate and Confidentiality Agreement, and Claim Form.

If you previously filed a claim and received a payment from the Chapter 11 cases *Mallinckrodt plc*, No. 20-12522 in the U. S. Bankruptcy Court for the District of Delaware or *Endo*, No. 22-22549, in the U.S. Bankruptcy Court for the Southern District of New York, you do not need to provide your claims data or the related information again with your Claim Form.

13. WHEN WILL YOU GET A PAYMENT?

Distributions will be made to qualifying Class Members after the Court has finally approved the Settlements, all claims have been processed, and any appeals are resolved.

14. WHAT HAPPENS IF THERE ARE FUNDS REMAINING AFTER DISTRIBUTION?

If there are any Settlement Funds remaining after all claims are processed, the funds will be distributed based on the Plan of Allocation or to an organization approved by the Court. No remaining funds will be returned to the settling Defendants.

15. WHAT WILL YOU GIVE UP IN EXCHANGE FOR THE SETTLEMENTS?

Unless you timely exclude yourself from the Settlements, you can’t sue or be part of any other lawsuit against the settling Defendants about the claims in this case. Class Members will be bound by all Court orders and decisions.

More information about the releases, or claims that you give up, may be found in the Settlement Agreements, available at www.acutecarehospitalsettlement.com.

THE LAWYERS REPRESENTING THE CLASS**16. DO YOU HAVE A LAWYER IN THIS CASE?**

The Court appointed the following attorneys to represent you and the other Class Members as “Class Counsel”:

John W. Barrett Barrett Law Group, P.A. P.O. Box 927 404 Court Square North Lexington, MS 39095	Warren T. Burns Burns Charest LLP 900 Jackson Street Suite 500 Dallas, TX 75202
Robert A. Clifford Clifford Law Offices PC 120 North LaSalle Street 36th Floor Chicago, IL 60602	Steven B. Farmer Farmer, Cline & Campbell, PLLC 746 Myrtle Road Charleston, WV 25314
Charles J. LaDuca Cuneo Gilbert & LaDuca LLP 4725 Wisconsin Avenue Suite 200 Washington, D.C. 20016	Steven A. Martino Taylor Martino Rowan 455 St. Louis Street Suite 2100 Mobile, AL 36602

You will not be charged for contacting these lawyers. If you want to be represented by another lawyer, you may hire one at your own expense.

17. HOW WILL THE LAWYERS BE PAID?

Class Counsel will file a motion for an award of attorneys’ fees and expenses that will be considered at the Fairness Hearing. Class Counsel will ask to be reimbursed for litigation expenses and for attorneys’ fees of up to 1/3 of the Settlement Funds, plus interest earned on these amounts at the same rate as earned by the Settlement Funds.

If the Court grants the lawyers’ requests, these payments will be made from the Settlement Funds. You will not have to pay these lawyers out of your own pocket.

The attorneys’ fees and expenses requested will be the only payment to Class Counsel for their considerable time and effort in achieving these Settlements and their risk in undertaking this representation on a wholly contingent basis, including the expenses they advanced without any guarantee of repayment. The Court will decide the amount of fees, expenses, and/or service awards and may award less than the amount requested by Class Counsel.

Class Counsel’s motion for attorneys’ fees, costs and expenses, and the class representative service awards will be filed with the Court and made available on or before [Month 00, 2024], at www.acutecarehospitalsettlement.com.

18. HOW TO OBJECT TO THE SETTLEMENTS

If you are a Class Member, you may tell the Court what, if anything, you do not like about one or more of the Settlements, the Plan of Allocation, and/or Class Counsel's requests for attorneys' fees and expenses and class representative service awards, by filing an objection.

For your objection to be considered, you must file your objection with the Clerk of the Court by [Month 00, 2024], at the U. S. If your written objection is not filed or received by **[Month 00, 2024]** or does not include the required information, you will lose the ability to object to the proposed Settlement(s), Plan of Allocation, request for attorneys' fees and expenses, and request for service awards for the class representatives, unless otherwise ordered by the Court.

If you object, you will remain a Class Member, and if you want to request a payment from the Settlement Funds, you also must file a claim by the deadlines, as described above.

19. HOW TO OPT OUT OF THE SETTLEMENTS

If you do not want the benefits (or a payment) offered by the Settlements, do not want to be legally bound by the terms of the Settlement Agreements, and you want to keep your right to sue all or some of the settling Defendants about the claims in this case, you must exclude yourself. This is also called “opting out.”

If you want to exclude yourself from one or more Settlements, you must send a written statement with the title “Opt-Out Form.” Your request must include:

- Your name, address, telephone number, and email address (if available);
- Your National Provider Identifier (if available) and CMS Certification Number (if available);
- A list of your current and former names, including any and all names under which you do or have done business since January 1, 2009;
- A statement saying which Settlements you want to be excluded from in *San Miguel Hospital Corp., d/b/a Alta Vista Regional Hospital v. Johnson & Johnson*, No. 1:23-cv-00903;
- Documents showing that you would be a Class Member if it did not opt out;
- A statement that you certify, under penalty of perjury, that in accordance with 28 U.S.C. § 1746, you are legally authorized to exclude yourself from the Settlement(s); and
- Your signature.

You must mail your Opt-Out Form so it is received no later than [Month 00, 2024], at the following address:

Notice and Claims Administrator:
Acute Care Hospital Settlement EXCLUSIONS P.O. Box 173001 Milwaukee, WI 53217

You must also email your Opt-Out Form so it is received by Class Counsel and the settling Defendants no later than [Month 00, 2024], at the following email addresses: OptOuts@acutecarehospitalsettlement.com

20. IF YOU EXCLUDE YOURSELF, CAN YOU STILL GET A PAYMENT?

No. You cannot make a claim or get a payment in any Settlements from which you timely excluded yourself.

21. IF YOU DON'T EXCLUDE YOURSELF, CAN YOU SUE THE SETTLING DEFENDANTS FOR THE SAME THING LATER?

No. If the Court approves the proposed Settlements, and you do not exclude yourself, you give up (or “release”) all the claims related in any way to the conduct at issue in this lawsuit as against the settling Defendants and all Released Entities as defined in the Settlement Agreements.

22. WHAT IS THE DIFFERENCE BETWEEN OBJECTING AND ASKING TO BE EXCLUDED?

Objecting is simply telling the Court that you do not like something about the Settlements. You can object only if you do not exclude yourself from the Settlements. Excluding yourself is telling the Court that you do not want to be part of the Settlements. If you exclude yourself, you have no basis to object because the Settlements no longer affect you.

If you are a Class Member and you do nothing, you will remain in the Settlements and be bound by all orders in this lawsuit. You will also give up your rights to seek a payment from these Settlement Funds, object to the Settlements, speak at the hearing about the Settlements, or be part of another lawsuit against the settling

Defendants for any and all claims released by the Settlement Agreements. If there are future settlements or judgments, you will be sent a notice with instructions on how to receive a benefit at that time.

FAIRNESS HEARING

23. WHEN IS THE FAIRNESS HEARING?

The Court will hold a Fairness Hearing on [Month 00, 2024], at [X:00] a.m. Mountain Time, before the Honorable Kea Riggs, at the U. S. District Court for the District of New Mexico, Pete V. Domenici Courthouse, 333 Lomas Blvd. NW, Albuquerque, NM, 87102, Courtroom [•].

At this hearing, the Court will consider whether the Settlements and Plan of Allocation are fair, reasonable, and adequate, if the Settlements should be finally approved; if the Judgments provided under the Settlement Agreements should be entered, and other matters. The Court may also decide whether to award attorneys' fees and expenses and service awards to the class representatives. If there are objections, the Court will consider them and may listen to people who have asked to speak at the hearing. After the hearing, the Court will decide whether to approve the Settlements and the Plan of Allocation. We do not know how long these decisions will take.

The hearing may be moved to a different location or time without additional notice. But if you want to attend, you are welcome to do so at your own expense. You may also hire another lawyer to attend for you, but you will be responsible for paying that lawyer.

25. MAY YOU SPEAK AT THE HEARING?

EXHIBIT I

If you are an Acute Care Hospital that treated patients diagnosed with opioid use disorder and/or other opioid-related conditions, you may receive a payment from \$651 million in class action settlements.

Records show that you may qualify for a payment from four proposed settlements (“Settlements”) in a class action lawsuit. The lawsuit alleges that to sell as many prescription opioids as possible, manufacturers misrepresented the risks and safety of prescription opioid use, distributors did not properly monitor, stop, or report suspicious orders, and pharmacies filled opioid prescriptions that were not written for legitimate medical purposes. It further alleges that as a result, acute care hospitals must now spend additional money and resources to treat opioid-dependent patients and patients with opioid-related conditions that they would not have had to treat otherwise. The Settlements total \$651 million and would resolve claims with four Defendant groups. Defendants deny any wrongdoing.

Who is included?

Generally, you are included if you are an Acute Care Hospital in the United States that (a) treated patients diagnosed with opioid use disorder and/or other opioid-related conditions from January 1, 2009, through [Month 00, 2024], and (b) are not owned or operated by a federal, state, county, parish, city, or other municipal government.

What do the Settlements provide?

The Settlements will provide \$651 million to pay money to Qualifying Class Members, Attorney’s Fees and Expenses, Notice and Administrative Costs, claims administration costs and expenses, Taxes and Tax Expenses, and Service Awards to the Class Representatives. Also, Qualifying Class Members may register and receive, free of charge, Naloxone Hydrochloride nasal spray kits.

How can I get a payment?

To make a claim for a payment from the Settlement Funds, you must submit a Registration Form and may submit a Claim Form. The deadline to submit these forms is [Month 00, 2024]. These forms and the Plan of Allocation are available at www.acutecarehospitalsettlement.com.

How much will my payment be?

The amount of your payment will be based on the proposed Plan of Allocation and the option you select.

- If you select the “Quick Pay” option: You do not have to fill out a Claim Form or provide claims data, and, after an eligibility determination, you will get a \$5,000 payment under all four Settlements. If you are not eligible to receive funds under one or more of the Settlements, this amount will be reduced.
- If you do not select the “Quick Pay” option: You must submit a Business Associate and Confidentiality Agreement, a Claim Form and supporting claims data. You will receive an Allocated Amount for damages based on a formula detailed in the Plan of Allocation. This Allocated Amount will be, at minimum, as much as the Quick Pay amount for which you would be eligible.

Payment amounts may be reduced if one or more proposed Settlements are not approved or if you do not participate in all four Settlements.

What are my rights?

Even if you do nothing, you will be bound by the Court's decisions. If you want to keep your right to sue the settling Defendants yourself, you must exclude yourself by **[Month 00, 2024]**. If do not exclude yourself, you may object to one or more of the Settlements, the Plan of Allocation, and/or requests for Attorney's Fees and Expenses and Class Representative Service Awards by **[Month 00, 2024]**. Detailed instructions about how to act on your rights are available at www.acutecarehospitalsettlement.com.

The Court will hold a hearing on **[Month 00, 2024]** to consider if it will approve the Settlements, Plan of Allocation, and a request for reimbursement of litigation expenses and for attorneys' fees of up to 1/3 of the Settlement Funds, plus interest earned on these amounts at the same rate as earned by the Settlement Funds. You or your own lawyer may appear and speak at the hearing at your own expense.
